well gods timing was most beautifulicious :)

on july 23,2019 i opened my bible haphazardly 2
ezekiel 39:8

"behold this is the day that i have spoken of..."

so prone 2 lean on my own understanding i prayed

"god u have spoken 2 me of a lotta days what day is 2day reference ?"

well at 11:53am as i was doin my studys i heard on the intercom

"MURPHY;

PACK UP 2 LEAVE TOMMOROW "

PRAISE GOD MY HEART EXCLAIMED

(god still speaks 2 men,women,children... promise u)

well after 5 days in a dungeon literally

my cell was in the basement

at the intake prison

i arrived at prairie du chien

which used 2 b a monastery ?

look at god

will send a part 2

my time runnin out
