afternoon precious priska

how r u?

im doin ok adjustin 2 a new enviroment yet the nuances r the same ,bunch of dudes actin like prisoners/
inmates/thugs/demons/throawaays :(
cause of this i must endure dirty looks n challenges 2 my manhood ie people cuttin in front of me,cuttin
me off,bumpin into me,etc. im over it its only a test 2 see if im gone respond how jesus did. life is like
that

currently trin 2 get a routine which is hard cause the schedule changes every week,plus i dont have a
job,
have to get up early just 2 study then find somethin else 2 do. god wouldn't have us studyin all day
ECCLSIASTES 12;12 so gotta find balance so im goin 4 a walk in 3 min would run but aint no track n
runnin on sidewalks people walkin on is weird 2 me...

well i love u
i am we
love dad
