Steve B, of the brothers from
Myrtle St with a mother named
Paula? I'm so sorry I didn't remember
right off. In recalling "those good ole
days," we shared on Beacon Hill
we must look back and laugh.

Please don't believe all the
wild stories about my current
position or how I got myself here.

I was not only surprised
but so grateful to hear from an
old friend from those good ole
days. And yes it would be
terrific to communicate. The MBTA
sounds like a great job and would
be interested in hearing more.....

Write to looking forward to
Me Directly hearing from you...
