### I AM MY BROTHER'S KEEPER

By Ronald W. Clark Jr

When Senator Bracy called up here Wednesday August 14, 2019 concerning the raw sewage that's been overflowing into our cells. Staff told me, it wasn't your cell, it doesn't concern you. Well it does concern me. Number one the place smells like a sewage plant when these toilets overflow. But more importantly, I've got the skills and heart to reachout and bring about change for my fellow human beings. I am my brothers keeper. Do for others as you would have them do for you. What's the purpose of life if you don't stand for something. I'm no saint! Far from it! I'm the most flawed human being there is! But I'm just trying to make up and atone for all my mistakes. And there has been so so so very many! God I wish I could change it! What I wouldn't give to live this life over. Unfortunately, we only get one shot. I wallow in guilt, and doing the right thing here, being my brothers keeper looking after their goodwill, makes me feel some sort of atonement for my sins. So I will continue to do what I do, until I close my eyes forever. But we are ,our brother's keeper. So when you see a brother or sister in need, remember the Golden Rule,"Do unto others as you would have them do unto you" Yes you are your brother's and or sister's keeper. God bless you.

In peace love and brotherhood Ronald W. Clark Jr #812974
