**"THE RETALIATION BEGINS"**

By Ronald W. Clark Jr

Today is Sunday August 18, 2019 and these people have no undoubtedly retaliated, disabling my tablet from receiving incoming emails. I can still get them out, I believe, but there not coming in. This is not the first time they've done this. And probably want be the last. This is one creep unethical place.

I will be filing a complaint which hopefully you'll get to see on line. If your reading this, please file a complaint to Secretary Mark Inch and Assistant Regional Director John Palmer of the FDOC. And inform Senator Bracy of this. Its a first amendment violation. Please take care and continue to fight the good fight.

Sincerely Ronald W. Clark Jr #812974
