Subject: i am we wednesday

hey beautiful daughter

i love u on 2day

smile

each day i get 1 day closer 2 being restored /returned 2 u

amen

life has been ok 4 the most part

still got problems but

yesterday i learned/hid in my heart a key truth god teaches in his word

beyond prayer we can stay outta trouble by praising god

specially by song

see psalm 101

as bible study teacher paul,who i met yesterday put it -

singing/praise changes ur behavior

amen

oddly enuff i experienced this truth 2minutes b4 goin 2 bible study

was brushin my teeth in the bathroom when when a guy started circlin around me

pretendin 2 b killin flys while sayin underhanded remarks 2 his friends on the sidelines

i got upset but then

the holy spirit kicked in

i started smilin :)

n singin this song god had me write early yesterday mornin bout dealin with not bein liked

so i started singin it

n was even more blessed when i returned 2 the room n god gave me more lines 2 sing

well i mentioned this at bible studyn the guy says bring th song next week

guess i gotta write it

did last night in my sleep by way of holy spirit

ame/words 2 impact ur coomunity

i am we

dad

see example god can use ur writin
