midday dream

*a window is broken
 I run into the street
 out into traffic
 dragging you with
 we run down an alley
 then we are alone
 someone is laughing
 it's James, Tim, and Allen
 following us in the darkness
 we hail a cab
 to take us downtown
 were the abandoned building stand
 we share lunch out of a bag
 split five ways.
 then you go home to bed
 taking Steve and Carol with you
 out the car window
 someone is saying be safe.
 I watch the tail lights
 fade into the night
 as everyone dives away
 I am standing alone
 walking in the street. Steve Burkett
