SO HERE WE ARE

DO YOU TRUST ME?

BELIEF IN ONESELF SHOULD COME FROM WITHIN THAT PERSON FOR WITHOUT A SENSE OF SELF YOU'LL ALLOW WHAT OTHERS SAY, AND DO TO HOLD POWER OVER YOU. THE POWER TO LOVE YOURSELF, BELIEVE IN YOURSELF, AND CHERISH YOURSELF COMES FROM NO ONE ELSE BUT YOU.

BY: King Leo AKA(Big Heard)

I believe in honesty, and loyalty above all things, and with you i want to do just that because we only get one life to live, and if we live it in fear than we didn't live our life as we should've.

I won't play games with you because your not a toy that can be play with, and used, abused then thrown away like your trash. I will be up front with you, and deliver as many JEWELS as i can to make you as strong as any man in your life.

Your a fighter, survivor, and no matter what you've face in your life you've came out a even stronger woman, and truthfully any real man would have feeling for you because real men like strength, and you have plenty of that. So many allow their life struggles to determine their future, and you didn't. So for many years you found yourself in a situation that was force upon you by the coward who claim to love you, and instead he became possessive, controlling, demanding, abusive, and ultimately he became your captor causing you to lose faith in men. However unknown to him you had hidden strength built inside you, and you over came his hold so that you could be a better woman. So for a Leo like me strength is a turn on which make since why i find you appealing. Besides that to be able to over come the mental prison he had you in, and be able to trust again is something very few are able to do.

SO WHAT DO YOU HOPE TO GET OUT OF US?

Because for me i truly seek a real conection with the one person who i feel fits, and shapes me into the best version of myself, and thats you. I seek no title from you, and only hope that you are being truthful, and willing to give us a fair chance.

So ms S the ball is in your hands what you do next is up to you.

Ask me anything, and i'll be honest in answering the question.
