Greetings!

I appreciate your offer. Yes, I'm down, as you surely expected I'd be.

Also, I have a good reputation & rapport with others in any institution I go to who are of the same mind; let me know if you'd like me to link them with you & how you'd like me to do so.

As you can imagine, I'm busy, feel overwhelmed: 6 cases of my own, 4 for others -- I gotta turn people away!

Please help by reposting/sharing my articles, including the one that Father John posted as a comment to my 18 Aug. 2019 post, "Nate's News, 18 Aug. 2019" - that comment reveals a documented case of staff framing me & destroying legal & other property due to my litigation, worth sharing!

Send me your name mailing address, your email (accept me as a CorrLinks contact), & ph# (I pay for calls), so I have multiple ways to keep in touch. If you don't hear from me, assume its not my fault, as it won't be!
