

no where to go

10/5/19

I believe one day  
the door will open  
but I will not exit  
I will fight them  
if I have to  
I will hide in the  
walls of my own prison  
were I have escaped reality  
where only I have the keys  
after all these years  
lost inside these prisons  
of dreams and nightmares  
somewhere in the alleyways  
of my mind  
I have no where else to go.
