Subject: Christian conscience?

Hello world,

As a military veteran with 2½ years in combat my heart is crushed regarding current actions related to the Kurdish people. Our future (America) has just taken a turn for the worse and many of our children will die in future warfare due to these current political decisions.

I love our Nation! I believe in the Constitution! I admire our rights and freedoms paid for by blood and sacrifice of the Declaration of Independence.

I am a Christian and I am pro-life and Republican.

Saying that, I challenge any Christian with a conscience about how you can support the actions and character of President Trump?

I beg you, beg you, to pray and as God Almighty to remove the veil from your eyes. As Christian conduct goes, we as a Church should never accept this type of behavior. Why are we allowing it from OUR President?

Is this all about white fear? What do we have to fear? If we are Christians, there is nothing to fear. We certainly should not compromise integrity because of it.

That is what the German people did in the 1930's and we know the results of that.

Please pray for clarity and truth and stand strong for justice (Psalm 37)

Yay! I get to vote again next year! Hallelujah Yeshua! wdl
