

Publications Available

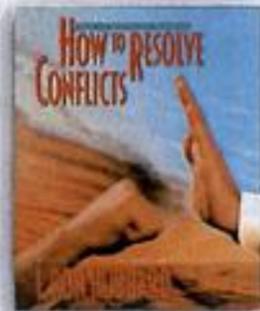

The Technology of Study: Consider this for a moment: in all your schooling, did anyone ever teach you *how* to study something? Learn the technology of how one studies in order to comprehend a subject so he can apply it. (✓) P114

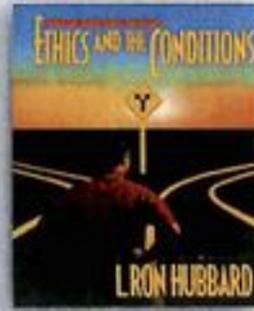

Marriage: Advice on "problem relationships" seldom results in a change. Instead of empty promises, get proven answers and real solutions that can be applied to *any* relationship. (✓) P115

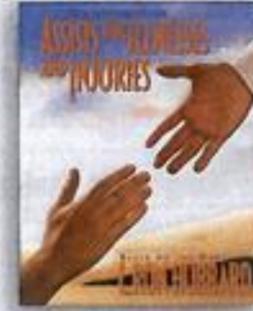

Children: Sound principles form the basis of agreement between family members and are vital. Learn the technology of raising a child who is willing to contribute, happy and secure. (✓) P116

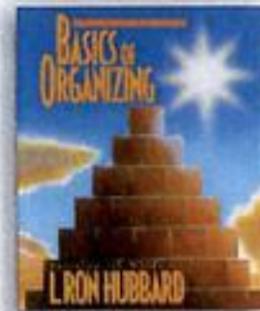

How to Resolve Conflicts: Trying to live in a society where the simplest of agreements cannot exist is all but impossible. Discover practical technology with the power to restore peace to a friend or a country. (✓) P118

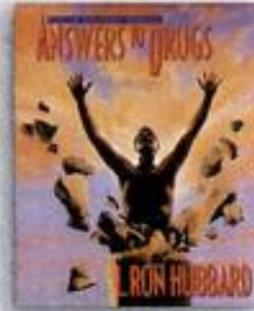

Ethics and the Conditions: While ethics has remained a confused subject to the world at large, there is hope, with the straightforward, workable principles and precise formulas in this booklet. (✓) P119

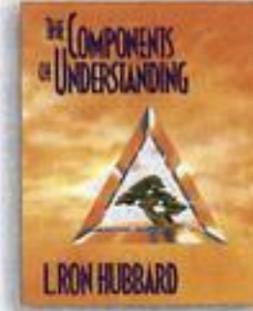

Assists for Illnesses and Injuries: In day-to-day living, a person is subjected to accidents, injuries and illnesses. Scientology Assists ease trauma and bring relief. Broadly used by millions around the world, the assists in this book are invaluable. (✓) P120

Basics of Organizing: Whether managing your personal life or a large-scale business, knowing the basics of organizing is your key to success. Find fundamentals to lessen the confusion and squelch distractions. (✓) P128

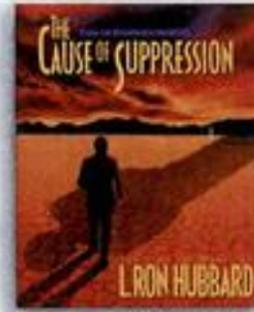

Answers to Drugs: Whether street drugs or prescription, they wreak havoc: violence, broken homes, crime, failed educations and personal devastation. Here is an effective technology that can get a person off drugs. (✓) P121

The Components of Understanding: How should I talk to people? How can I find what people are thinking about? How can I handle my work better? Find the answers in this booklet. (✓) P117

Solutions for a Dangerous Environment: Tired of taking your daily dose of murder, earthquakes, floods and famine? Arm yourself with the techniques to look outward without fear and ease the anxiety and stress. (✓) P122

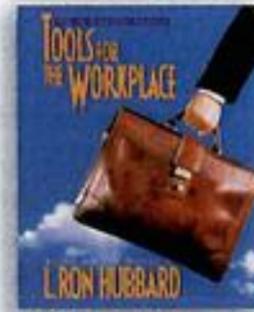

The Cause of Suppression: Find out why some live their lives on an emotional roller coaster—fine one minute, depressed the next. Free yourself from the grip of suppression and open the door to a calmer, more stable life. (✓) P123

The Emotional Tone Scale: How to find out who you can trust, who you can't. Who will be a good friend, and who won't. In short, who you can depend on. An invaluable tool for use in the workplace and in life. (✓) P127

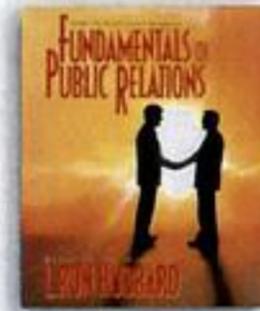

Targets and Goals: All of us have goals we have set be it a lifelong dream or a short-term objective. The technology exists to meet the targets and goals you envision, in easy, doable steps. (✓) P129

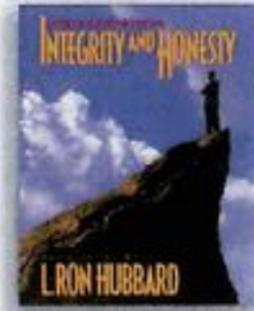

Tools for the Workplace: The confusions, concerns and anxiety of the workplace can be solved with practical tools. From handling exhaustion to ridding an area of confusion, the powerful basics in this booklet can bring fulfillment and efficiency to your job. (✓) P124

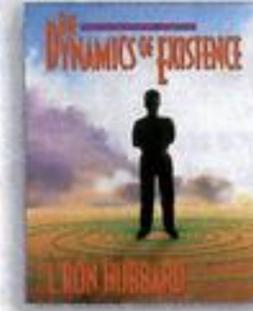

Investigations: Why guess about the cause of a non-optimum situation when you can find it? A declining or successful project alike should be assessed to isolate the reasons why. (✓) P125

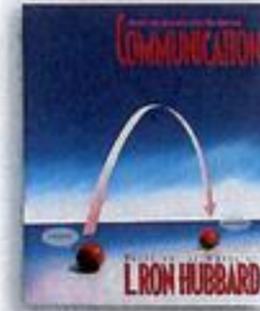

Fundamentals of Public Relations: In order to gain agreement, there must be a method to properly communicate your project or idea to others to gain acceptance and support. These answers and more are available here. (✓) P131

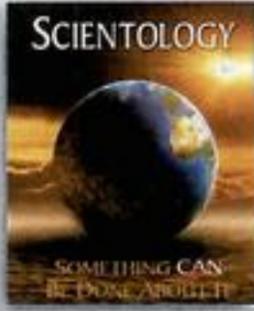

Integrity and Honesty: Most of us have suffered the consequences of a co-worker or partner inexplicably leaving, but here is a new view on an old problem. Arm yourself with the tools to restore good relations. (✓) P132

The Dynamics of Existence: For millennia, Man has attempted to assess his place in this material world. Mr. Hubbard made the discovery of a unifying principle that applied to all life, a common denominator by which all life might be understood. (✓) P126

Communication: It determines success in relationships, success in business and the attainment of goals. Learn every component part of communication and precisely how to use them with ease. (✓) P130

"Something Can Be Done About It": Free with any Scientology Handbook booklet purchase. Inspect Scientology principles for yourself and learn why this unique, new religion has fast become a worldwide movement, helping millions to lead happier, more successful lives. (✓) P133
