greetings tenzintenzin

just got ur lines of communication .preciate it. thanks 4 who or whatever led u 2 my recent post. thanks for introducing me 2 words liks "gravitas" n "bollocks"

so TMZ is a crock we both agree . used 2 watch it ,when i was lost in the sauce n lost in translation ,did it just 2 lust after women n 2 see black/multicultural women as the prison i was in had no black/multicultural women or staff 4 the most part. yup that was me in my mess.

TMZ tends 2 stay on in this youth prison thats obsessed with celebrity gossip/they financial affairs/love life etc. just yesterday was an argument bout who got the most \$ between several celebs.could care less tryin 2 get my own \$ 2 leave 2 my daughter

at this point in life kanye n other celebs seemed 2 do stuff /say stuff 4 the publicity. like gina rodriguez rappin the n-word - postin it- then apologizin 4 it. i bet she stilllistens 2 n sings along 2 music featurin the n-word. sometimes its like "what made this person say this in the 1st place? meanwhile its trendy 2 say somethin "insensitive " then have a pres conference apologizing dont 4get the 1hr of sensitivity trainin!

yes 90% of tv designed 2 keep america stupid

well we only get 15 minutes on kiosk
see u part 2

part 2

so i get it now ...tv /entertainment all bout keeping me dumbed down n not focus ed on more important thing . dont get me wrong i watch some sports /shows 2 unwind/relax but i NEVER lose sight of my ultimate goals. 4 example 2day i crocheted a scarf while i had the badger game on. when i knew they were gonnna lose i turned 2 another more educational show 1 i sen b4. **BOSS;THE BLACK EXPERIENCE IN BUSINESS**

as the show talked 2 think it was earl graves jr bout racism n overcomin a quote idea came 2 me

RACISM ONLY CARES ABOUT U WHEN U CARE ABOUT IT

this applys 2 the fashion designer racist rant. maybe she does employ blacks maybee some quit,maybe some chose 2 stay n show her the love of christ :) n or the love she's never

experienced from a black man/woman. maybe somebody gone ask,"seein u feel that way y u hire me in the first place?" maybe she gone say "i was drunk!"

lol

well i understand the what ifs
deal with that on a daily basis
one black person work here!

still i dont focus on if the nurses,co's,social worker ,teachers,volunteers,staff,etc r racist or not.
could care less

I AM GOIN SOMEWHER

I AM GOIN 2 ACCOMPLISH MY GOALS

I AM GOIN SOMEWHERE

part 3...

so if n when i encounter racism or neother "ism" i just go 2 god in prayer askin 4 the strength n courage 2 walk in love n show kindness . somtimes offering a listening ear or helpful advice can go a long way in helping someone heal from being prejudice; a quote comes 2 mind
WISDOM IS BETTER THAN WEAPONS OF WAR

i've experienced this when a racist told me,"ur not like all the other black guys" (ie the black who rejected him when he grew up in new york n those in prison who picked on him etc.)

thanks for the iyanla vanzant quote she's a wise woman. have it in my heart 2 read some of her books ,mainly PEACE FROM BROKEN PIECES

what ive learned in life is -PEOPLE ONLY SHOW U WHAT THEY WANT U 2 SEE,IT'S ON U 2 SEE THE REST

its all good,im guilty of it

think of the datin process

nobody reveals their flaws till they confident enuff that u love enuff 2 not leave upon bein notified of they bad habits,pet peeves,diseases, etc

who tells a woman out the gate " u pretty n u should know i bite my finger nails,anemic,baldin,h8 when people smack when they eat,i got halotosis :) ..."

no we dont get 2 watch youtube clips

or have ne internet access

far as the headphones kids is just loud so they sing out loud with the headphones on
