

Nobody can make me believe television star Todd Chrusley and his wife Julie committed charges of wire fraud, conspiracy to commit bank fraud and conspiracy to defraud the United States. I believe it was the former employee who they fired and ~~for~~ whoever was connected ^{to} their finances. I love some Chrusley knows Best. Because they give you the patridge family slash laughs. I feel Todd and Julie is good people just caught up in someone else foolishness. I hope this be cleared ASAP. I tell people that are celebrity. you have to watch the people you hire. some people will get jealous and try to destroy your family and wealth. I hope they dont get dishearten in this situation but trust the lord. It will bring them out if they are innocent. Keep your up you all chace, Grace, Todd, Julie etc I know it's hard right now. you stick by them out there and support them through these hard times.
