DEAR CAVAK

thanks 4 the lesson on alcohol. promise god taught me the truth bout alcohol n it bringin out only whats in the heart as i read 2nd samuel chapter 11. david tryd 2 get uriah drunk 2 get him 2 follow davids orders but uriah though sloppy drunk did what was in his heart.;protect the king. god also taught me from situations i encountered in my sinful life. lets just say there were times where someman/woman said "yeah we can do ... BUT lets get drunk 1st." says it all right there knew what we were bout 2 get into BUT wanted 2 get drunk 1st 2 excuse our sinful behavior, but thats 2 real 4 society 2 handle
2 acknowledge this truth would ruin have of the american psyce
seen it 2day on the real a host said "dont hold that against me i didnt mean it i was drunk i never wouldve said it sober...
