"I've had a lot of stress over parole in general. I've never been out on parole. I've been in for 39 years and 7½ months. I saw the parole board Oct. 24, 2019 at 10:00 am for 3½ hours. I think it's on U-tube. It didn't feel like they want to parole me. Plus there was a lot of opposition. All I have is my plea to Allah. It didn't look that good."

Truly,
