Subject: god amazing

sat there at breakfast enjoyin the taste of a blueberry muffin n peanut butter n toast, n a gulp of water. lookin up i noticed a hispanic guy pattin himself down n retracin his steps. i know that body language.

he lost something ! payin closer attention i noticed he had his scarf, hat, n 1 glove. o so he lost 1 of his grey wool gloves.

immediately havinlost n had my winter scarf stolen i went 2 prayer n asked god 2 find it n touch someone heart 2 turn it in. amen.

2 minutes later i exired the chowhall

seein a c/o walkin laps i thought 2 ask him "hey if u see a glove it belongs to a guy on unit 4" havin just missed him

i prayed some more as i walked the pavement

n there it was on top of a gabage cacan no less. no hesitation i grabbed it n put it in my pockwt. took it right 2 the sgt station, somebody lost they glove.

wanted 2 give it directly 2 the guy but i couldn't spot him or get ne of his roommates 2 get him. long story short

i bumped into 1 of his roommates n said, "did ur celly lose a glove?"

yeah. the sgt gave it 2 him"

i then told him my testimony n we praised god 2gether

later after lunch i innocently walked past the hispanic guy who interrupted his own convo 2 say "hey my guy thanks 4 the gloves. 'preciate it

was also blessed with a lamp n light bulb time 2 get back 2 nerd mode
