

LEARN THE TOOLS FOR LIFE

Life's everyday difficulties and challenges can be overwhelming. Whether it's a failed marriage, trouble raising a child, problems on the job or simply the desire to achieve your goals, where do you turn for help?

Scientology has answers. What's more, it provides an exact technology with step-by-step procedures anyone can apply to handle life's difficulties and to better conditions for yourself and those around you.

This film offers an introduction to basic Scientology principles from *The Scientology Handbook*—tools you can use to improve any aspect of life.

You'll learn about:

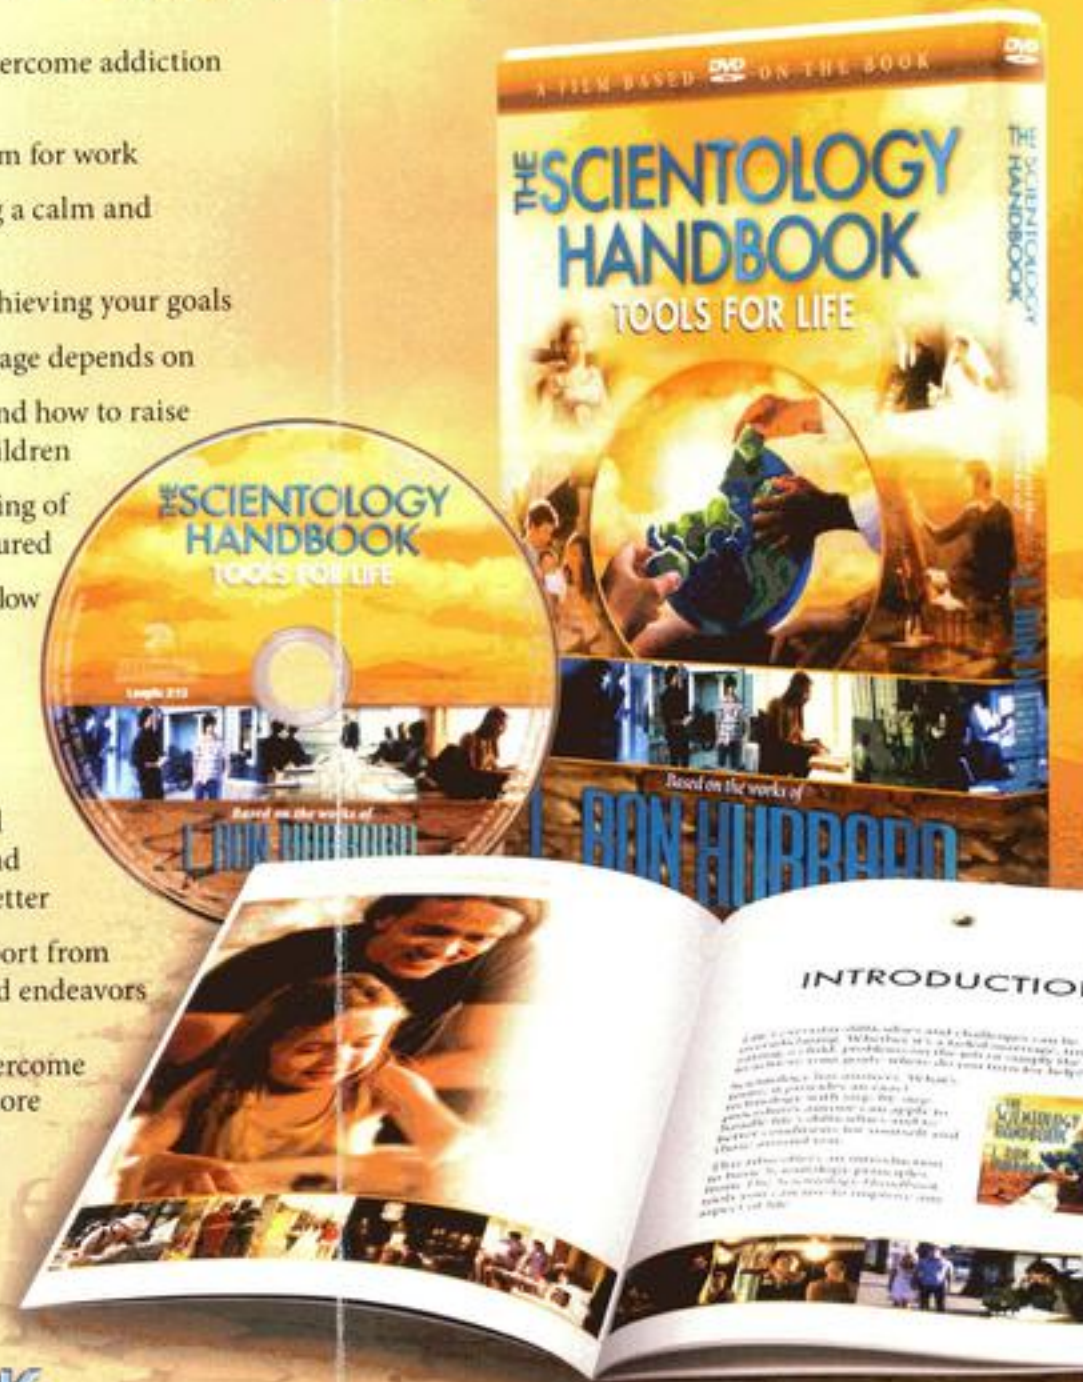

- The secret to studying any subject and applying it successfully
- The exact formula to improve communication skills
- How to resolve conflicts and restore harmony to those around you
- Principles you can use to help make correct decisions in life
- The basic components of understanding itself
- How to predict the behavior of others and learn who you can trust
- The secret to restoring self-respect
- Why life is sometimes like a roller coaster, up one day and down the next

- How to help someone overcome addiction to drugs or alcohol
- How to regain enthusiasm for work
- The solutions to creating a calm and safe environment
- The way to success in achieving your goals
- What a successful marriage depends on
- The tools of parenting and how to raise happy, self-confident children
- How to relieve the suffering of someone who is ill or injured
- The precise formulas to follow to improve conditions in any aspect of life
- How to organize any activity for success
- How to discover the real reason behind failure and turn it around for the better
- The key to gaining support from others for your ideas and endeavors

Here, then, are the tools to overcome any problems and achieve a more fulfilling and happier life. For no matter the situation, with Scientology, something *can* be done about it.
