greetings GOD BLESS

not 2 b in ur business ,but my christian heart compels me 2 say something about recent events ... that in reference 2 the inappropriate comment made about ur precous GOD-GIVEN child BLU-IVY

not 4 sure the exact quote they said as i vaguely overheard the story thru someone elses tv something bout her being unpretty n maybe needing plastic surgery cause she take after her dad! how preposterous !

heard u say in "survivor" that u not gone compromise ur christianity. praise god.so...that bein the case heres a message i pray reaches u...

tell blu-ivy,"god dont look on the outer appearance but the heart" 1st samuel 16;7
we see this truth in the book of JOB who was unfriended cause of outer appearance .yes when he was smitten with boils which obstructed/damaged his outer appearance nobody wanted 2 look upon him or b seen with him. ouch. JOB chapter 19;1-22
so..remind precious blu-ivy that GOD her heavenly father love her no matter who doesnt . he accepts her all across the board no matter who doesnt. she is most beautiful in his eyes n heart,no matter what man,woman,boy,girl etc doesnt find her physically attractive . she has a beatiful spirit is loved deeply n shall do great things 4 god amen

respectfully a bro in christ
