

I, Eri

---

I should have posted this sooner. I Spent Christmas break finishing up a drawing...

Hope you like it Eri.

I drew this one because it was the first time I ever seen you, and I couldn't believe how *gwapa* you were - a word you taught me later that meant beautiful. This was a difficult, but therapeutic project, with each granule of graphite added to the art paper a little piece of my soul.

And heart...

Thank you Erica.
