① I dream sometimes
 sometimes the dreams
 are nightmares
 nightmares of fear
 fear of waking alone
 alone in the darkness
 the darkness of this cell
 this cell that is still
 still as my mind
 my mind lost in dreams
 I dream sometimes

② multicolored dreams
 on sale now
 at Woolworth's
 on the corner
 of 10th & K
 grandma never
 took us in
 standing on the sidewalk
 parading enough money
 to get into the Top's
 money for popcorn
 milk dude & soda's
 grandpa's short dog
 a cottonbowl twist
 my brothers and I
 we were handsome boys
