Subject: Proverbial Determination

Chapter 1

I will know wisdom n instruction, 2 understand God's word

I will receive the instruction of godly wisdom ,divine justice n equity

I will wisely hear God, n increase in spiritual learning

As a man of understanding I will obtain wise counsel, so that I may understand the Book of Proverbs n their interpretation.

I will fear the LORD n begin 2 possess knowledge

I will hear the instruction of my heavenly Father n I will not forsake the law of my parents

I will not let sinners lead me astray.

I will not partake in their sins. either

I will not walk in their ways

I will keep my feet from their path

My feet will not run 2 evil or felony's

I will not be responsible 4 shedding innocent blood

I will listen when Wisdom cry's out,

as she passionately promises 2pour out her Spirit upon me

I will with my whole heart receive this passionate promise

The Holy Spirit will be poured out upon me,ever instructing me in God's Holy Word

I will not refuse God's divine call on my life

I will not refuse His loving outstretched arms, that seek 2 embrace me

I will not hate knowledge

I will wisely choose 2 fear the LORD

Listening 2 n obeying God,I will have peace n dwell safely wherever I reside.

AMEN
