Chapter 2

I will receive the Heavenly Father's loving words n hide His commandments within me
I will incline my ears 2 listen 2 divine wisdom n also apply my heart 2 understanding the things of God

I will then understand the fear of the LORD n even find the knowledge of this Holy God
I know the LORD blesses us with wisdom, cause out of His mouth flows divine knowledge n understanding

God has sound wisdom laid up 4 me as I strive 2 walk in righteousness

As I walk uprightly He will ever be my shield of protection, spiritually

I know God will keep me on the straight n narrow path n continue 2 preserve my desire 2 serve Him

I understand righteousness n judgement n freedom from bias

Wisdom will enter my heart n I find spiritual Knowledge 2 be most pleasant unto my soul

Discretion will preserve me 4 all eternity

While understanding continues 2 keep me

Walking in divine wisdom has delivered me from satanic men n their demonic speech.

Eternal understanding of the Most High has kept me from treading in black paths of darkness along side those who rejoice continuously as they continue 2 engage in demonic behavior

God's wisdom has kept me from falling victim 2 ungodly women who are always striving 2 flatter me with sexualized words n mannerisms

I can not follow her, cause her house leads 2 eternal dust n ashes

I AM striving 4 eternal life, 2 carry myself in God's righteousness, that I may dwell in the presence of God's presence

So be it.

Chapter 3

I will not forget the law of my Heavenly Father, but I will allow my heart that wants 2 be holy 2 hold tightly 2 His commandments

I will not let mercy n truth forsake me I will tie them around my neck
I will pen mercy n truth inside the tablet of my heart
Then I will find favor n good understanding in God's eyes n men's

N I know that it was by understanding God established the heavens
I also know that by his knowledge the depths are broken up n the rain clouds drop down dew

As God's child, I have a responsibility 2 keep sound wisdom n discretion
Both will bring life 2 my soul as I walk this walk n talk this talk
I will lie down unafraid of the terror by night.

Yes! Sleep shall be sweet unto me
When I awake in the morning I won't be afraid of whatever evil today brings nor will I fear the plots of the enemy
God is my confidence. He will guard me ,protect me, watch over me
while giving me strength 2 endure life's trials n tribulations

When I have the power 2 so I will not withhold good from those in need of it
I will not tell my neighbor "" come back some other time "" when I have what he or she is looking 4, sitting right beside me
I will not plot evil against any of my neighbors. They have the God given right 2 live safely n securely next 2 me
I will not be a bully

CHAPTER 5

I will attend unto God's wisdom n humbly bow my ear 2 His understanding of life
I will regard His discretion n keep entertaining knowledge

I know the sweet talk of promiscuous women drops like honey n I know her words are smoother than melted butter

God has taught me her end is bitterness, sharp as dual bladed razors

He also taught me that her paths lead 2 eternal death. Hell on earth n after it!

I acknowledge that as a man of God it's in my best interest 2 not get 2 know her

I hear God n will not depart from the words of His mouth

I will stay miles n miles away from her n rely on Gods strength 2 keep me from falling going anywhere near the door of her house

I realize (from my past) that 2 sleep with her would be giving my God given honor 2 others n the remaining years of my life 2 the cruelty of slavery

N nonbelievers would profit from my misspent wealth n that I would be spending my God given strength laboring 4 nothing but pain n heartache

I know I don't want 2 mess with her cause I don't want my temple ravished with any STD'S

Nor do I want 2 open the door 2 any baby mama drama or the like

I know that if I don't heed God's advice 2 stay away from her that I'll regret it in the long run

I will drink of the lovely running waters that ever flow from my own well

Yes! My wife will be my sole source of love making

I will not seek strange bed fellows

My wife is a fountain of life that is ever blessed

I will rejoice with n find joy in this woman n her company 4ever n ever

She will be all that I need

Her lovely loveliness shall abundantly satisfy me 4ever n always

Her Christlike love keeps me faithful 2 our undying God-ordained 1-ness

I will not be destroyed by loose women n adulteresses. I won't even embrace them

4 I know all my ways lay open b4 the all-knowing eyes of the Lord Jesus Christ

I know if I mess with ungodly women my sins will find me out n lead me further astray

All because I refused the Lord's loving instructions

...

CHAPTER 6

If I run around giving guarantees n assurances then

My mouth will be guilty of writing checks my actions can't cash

2 deliver myself it's 4 me 2go 2 my friends humbly n tell them
"" on 2nd thought I ain't gone be able 2 do it.""
I won't be able 2 get a peaceful night sleep till I get this off my chest
Then I can rest like a free man;like a baby

As I go 2 the ant,he will be learned from, leaving me wiser
Wise in entrepreneurship. Wise in leadership of self
Wise enough 2 store up food in the summer 4 the coming winter n those wet rainy days
Nothing comes 2 a sleeper but a dream
But.
I AM wide awake,refusing 2 be impoverished, bedridden, or lazy.
I AM industrious lacking nothing

Redeemed by God's truth,lies will no longer flow freely from my mouth
A righteous vision will lead me down righteous paths,2 righteous locations inclining my actions 2
act righteously
Arising with love 4 Jesus in my heart righteousness is plotted, sowing unity among the family
So I will not worry bout sudden calamities or my being broken 2 pieces,
that's 4 the wicked,who are continually sowing division

As a child of God I must come 2 hate:
Pride
Lying
Murder
Hearts that devise wickedness
Feet that run 2:evil
False witnesses
Those love 2 divide n conquer

It's 4 me 2 kept the Heavenly Father's rules n regulations,
N it's 4 me 2 keep the law of my moms
Need 2 keep both these guiding principles at the 4front of my heart
Wherever I go they lead me.
When sleep they keep me
When I awake they there with me
We hold conversations
Bout how the commandments a lamp n the law a light 2 my path helping me keep my mind
right:
Instructed in the ways of eternal life
2 protect me from promiscuous women who constantly trying 2 seduce me with flattery
I better not list after her obvious beauty or let her mannish mannerisms distract me
I AM not the piece of bread she wants 2 reduce me 2
Adultery always leadsn2 death

N

I AM life worthy

If I hold the fire of adultery 2 my chest will not my clothes be burned?

If I walk on hot coals won't my feet get charred?

Desiring 2 be found innocent,

I will not dare go into my neighbors wife.

God will punish me severely if I decide 2 steal another man's wife

Thieves have excuses 4 their behavior, but there's no excuse 4 adultery

Though thieves have 2 payback 7 times restitution when their caught,

An adulterer can never payback what's Ben stolen

2 commit adultery is 2 destroy my own soul.

I will love my eternal God-given soul by not having affairs

Amen

CHAPTER 7

As His son, I will keep his word n bury his commandments within me

I will live by keeping his commandments as the apple of my eye

His word is bound on my hands n feet n written upon my new heart

I call wisdom my "" sister""

I call understanding,""cousin "

They will keep me from the wicked ways of whorish women who seek 2 conquer me

N the God in me

I will not be a young man who's empty when it comes 2 understanding

I know better than 2 go near "" her"" corner or down "" her"" street

Especially at night when human nature is more vulnerable 2 sin

I know that she dresses like that 4 a reason:2 sell herself

I know she has no loyalty 2herself ,God,or her husband

N that she on a constant plot 2ruin me

2 so she specializes in boosting the male ego n whatnot

So of course she gone tell me,

" u the only 1 I want""

Trick no good

I will not be taken captive by her flattering tongue or deceitful lips

I will not follow her cause I know adultery leads 2 death

It' s absolutely 4 me 2 listen 2 n adhere 2the words of life that ever flow from the mouth of God

He teaches me 2 not be led astray by "" her"" or me

4all she looking 2 do is wound n kill people,especially Godly men

Telling u her house is a ticket 2 hell
No wonder it smells of death
