"3P'S - PLEASURE, PAIN, & PASSION" has something for every person from all walks of life. It will make you laugh; it will make you cry, but in the end, it will touch your heart and make you really think. It is an outpouring of the heart and mind of a man that has been abused and broken but has been rebuilt and spiritually reborn. These poems will take you on a journey to the highs of Life's Pleasures, the lows of Life's Pains, and the Love through Life's Passions; and all expressed through the eyes of a man who has seen it all.

These poems are from the simplistic to the complex to the abstract but will be easy for most to relate to. This poetry book is a must read for those who can use a refreshing of your spirits, a renewal of your perspective, and even a rejuvenation to your physical well-being. Life is full of ups and downs, but I've found that in Life you get what you give. So to sum it up 3P's - Pleasure, Pain & Passion was crafted out of the love within my heart and it's many aspects, sometimes "Pleasure," sometimes "Pain," and sometimes "Passion." So from my heart to yours enjoy the "3 P's" of my heart...
