

The Coronavirus Disease 2019 - A must read - pass on
A lot of answers

Prior before the Coronavirus I had get tired of things that was going on in the United States, all other nations of the world, churches, our families, our neighborhoods, our schools, universities, our towns, with ourselves and with our soldiers. So many idols and so much idolatry in the United States and all other nations of the world. What is idols? Image used as an object of worship false God, Voodoo, Hinduism, Buddhism, ~~status~~ (status) all in these other nation of the world and United States. What is idolatry? Those who worship idols; blind worship or admiration of an undeserving object. So where everyone has went wrong? Why all the wild fires? New Coronavirus Disease; Hurricane after Hurricane

(1) Our leaders and citizens has become very rebellious and arrogant. Everyone think they can do what they want and get away with it.

1 Sm 15:23 Saul became both rebellious and arrogant, so it is little wonder that God finally reject him and took away his Kingdom. Rebellion against God is perhaps the most serious sin of all because as a person rebels, he or she closes the door to forgiveness and ~~restoration~~ restoration with God. Saul's excuses had come to an end. It was time of reckoning. God wasn't rejecting Saul as a person; the King could still seek forgiveness and restore his relationship with God, but it was too late to get his Kingdom back. If you do not act responsibly with what God has entrusted to you, eventually you will run out of excuses. All of us must one day give an account for our actions. The bible says Proverbs 16:18 Pride goes before destruction, a haughty spirit before a fall. God is tired of the rebellion and arrogance in America and all other nation in the world. We have become nation that edify sinful lifestyle and sin. Same sex marriages, our jobs, homes, cars, business, ~~and~~ children, moms, dads, grandparent is our idols. Chaos and confusion in our government, uphold people in their wrongs, tariffs, orgies, debauchery, lust, drunkenness, carousing, detestable idolatry. God was sending warning through the hurricanes, wildfires, the wars, Impeachment inquiry and trial, and now the Coronavirus Get your house in order.

Prayer before the coronations I was praying this Deliverance Prayer. In the name of Jesus Christ we present to you Father ourselves, our families, our soldiers, our churches, our neighborhoods, our churches, our neighborhoods, our schools and universities, our towns, our nation and all nations of the world, and each person and area for which we are praying. By the power of the name of Jesus Christ, through His shed blood and the Holy Word of God, we bind the power of Satan and all dominions of darkness seeking entrance into our lives and the lives of the ones for whom we are praying. We bind any demonic assignment spoken or sent against us and pronounce them to be of no effect. For this reason was the Son of God made manifest, to destroy the works of the devil (1 John 3:8) we proclaim the ways and works of darkness over all of us to be broken. We bind the Satanic forces of nature from ~~harming~~ harming any property that we possess or area for which we are praying. Father, we ask you to dispatch the presence and power of your Holy Spirit and your Holy angels to drive the devil from us and to cleanse those places where the enemy has gained a foothold. Holy Spirit come and manifest as a cleansing fire in the name of Jesus Christ. In Jesus Name, we resist and break all curses, hexes, spells, voodoo, fasting prayers (not of the Lord) occult, Satanic and Masonic rituals, the power of all blood sacrifices and covenants - any and all witchcraft and sorcery sent against any of us or any area or transferred through the generational bloodline. We apply the blood of Jesus Christ to break all strongholds of iniquity and rebellion in all of us. Lord, in the name of Jesus Christ, we ask you to expose and bring into the light negative inner vows and strongholds that contradict your word and will. By the breath of your Spirit, release your truth as a sword to expose falsehood, curse self-rejection - self hatred; reactive hatred and bitterness towards others. We take up the sword of your word and cut ourselves free from the bondage of generational strongholds and ungodly character defects. In the name of Jesus Christ, we ~~renounce~~ renounce all relationships dishonoring to the Lord. Father break the power of soul ties over our minds and ~~emotions~~ emotions for ourselves

and for these people. We proclaim our and their freedom to be the children of Yahweh God, to live as he intended us to live, filled and overflowing with the light and power of His Holy Spirit filled with the life and love of Jesus Christ. We claim the full protection of the shed blood of Jesus Christ, the Son of the living God over our individual lives, our marriages, families, our possessions, our churches, our neighborhoods, ~~our~~ our towns, our nation and for all the people, areas and situations we have lifted to you this day. You, O Lord are a shield about us. Our glory and the lifter of our heads (Psalm 3:3)

During the impeachment trial I wrote article God told me to do salvation call. We have to realize something United States of America and all other nations. Exodus 20:5 The Israelites had just come from Egypt, a land of many idols and many gods. Because each god represented a different aspect of life it was common to worship many gods in order to get the maximum number of blessings. When God told his people to worship and believe in him, that wasn't so hard for them - he was just one more god to add to the list. But when he said, you shall have no ~~more~~ other gods before me that was difficult for the people to accept. But if they didn't learn that God who led them out of Egypt was the only true God, they could not be his people. How many times have God rescue you Americans and other nation but still kept being rebellious and pride doing what you want to do and living the way you want to.

Today America and all other nation we have allowed many things to become gods to us. Money, the economy, people, places, fame, work and pleasure has become gods because Americans and other nation constantly concentrate too much on them for personal identity, meaning and security. No one sets out with the intention of worshipping these things. But by the amount of time we devote to them, they can grow into gods that ultimately control our thoughts and ~~energy~~ energies. Letting God hold the central place in our lives keeps these things from turning into God. When start puff up saying I did this and that boast. We have

To realize, if it wasn't for almighty God we wouldn't be on this earth. That everything belongs to him. He just let us borrow it. psalm 24:1 Because the earth is the Lord's all ~~of~~ of us are stewards or caretakers. We should be committed to the proper management of this world and its resources. We are not to become devoted to anything created or deposable proprietors, however because this world will pass away 1 John 2:17 Do not love the world or anything in the world. If anyone loves the world, the love of the father is not in him. For everything in the world - the cravings of sinful man, the lust of his eyes and the boasting of what he has and does - comes ~~not~~ from the father but from the world. The world and its desires pass away away, but the man who does the will of God lives forever. When the desire for possessions and sinful pleasure feels so intense, we probably doubt that these objects of desire will all one day pass away. It may be even more difficult to believe that the person who does the will of God will live forever. But this was John's conviction based on the facts of Jesus' life, death, resurrection and promises. Knowing that this evil world will end can give you the courage to deny yourself temporary pleasure in this world in order to enjoy what God has promised for eternity. We didn't create ourselves, God did. psalm 100:3 God is our Creator; we did not create ourselves. Many people ~~live~~ live as though they are the creator and center of their own little world. This mind-set leads to pride, greed, idolatry and if everything should be taken away, a loss of hope itself. But when we realized that God created us and gives us all we have, we will want to give to others as God gave to us 2 Corinthians 9:8 and God is able to make all grace abound to you, so that in all things at all times, having all that you need, you will abound in every good work. People may hesitate to give generously to God if they worry about having enough money left over to meet their own needs. Paul assured the Corinthians that God was able to meet their needs. The person who gives only a little will receive only a little in return. Don't let a lack of faith keep you from giving freely and generously. A giving attitude is more important than the amount given. The person who can give only a small

gift shouldn't be embarrassed. God is concerned about how a person gives from his or her resources Mark 12:41-44 this widow gave all she had to live on, in contrast giving a certain percentage of our income a great accomplishment, we resemble those who gave out of their wealth. Here Jesus was admiring generous and sacrificial giving. As believers, we should consider increasing our giving - ~~whether~~ whether of money, time or talents - to a point beyond convenience or calculation. According to that standard the giving of the Macedonian churches would be difficult to match. God himself is a cheerful giver. Consider all he has done for us. He is pleased when we ~~who~~ who are created in his image give generously and joyfully. Do you have a difficult time of letting go of your money? It may reflect ungratefulness to God. God gives us resources to ~~use~~ use and invest for him. Paul uses the illustration of seed of to explain that the resources God gives us are not to be hidden, foolishly devoured or thrown away. Instead, they should be cultivated in order to produce more crops. When we invest what God has ~~given~~ given us in his work, he will provide us with even more to give in his service. I hear a lot of people saying after the marburg in Louisiana with the Coronavirus. Do you know why this Coronavirus disease is so ~~prominent~~ prominent. ^{Some of these} ~~area~~ area been hit with wild fire, hurricanes etc. The land is cursed. Louisiana has been known for voodoo and witchcraft. God is saying enough of rebellion and sinful lifestyle. How did this curse Coronavirus entered into the United States and all other nations. Our generational ~~curse~~ curses can be broken over ~~the~~ United States and all other nations. Let's talk. ~~Our generational curses are from the Old Testament to the New Testament~~

Common manifestations of curses are as follows:

1. Continual financial problems
2. Continual lack of prosperity
3. Chronic physical or mental illness
4. Premature death
5. Multiple or repetitive accidents or injuries, particularly of the same type

6. Chronic strife or arguments or problems with interpersonal relationships.
7. Hereditary ~~or~~ physical or emotional problems
8. Multiple manifestations of the same kind of physical, circumstantial or emotional problems in the family line, such as multiple cases of suicide etc.
9. Chronic torment
10. Poor eating or sleeping habits in infants or children
11. Failure to thrive in young ~~infants~~ infants or sickliness
12. Business failures, single or repeated
13. Inability to conceive children or multiple miscarriages

There are many other manifestations of curses but I have described the more common and more general manifestations. The presence of a curse is always discerned through the Spirit. The appropriate remedy is the repentance and breaking the curse in the name of Christ Jesus. Curses and blessings cross over from the Old Testament to the New Testament unchanged. We see this in the New Testament on several occasions where the apostles ~~are~~ cursed enacts (Mark 11:21, Galatians 1:8,9) Saint Paul speaks a curse upon all those who preach another gospel or another Jesus. And again in the New Testament, we see Jesus cursing the fig tree that bore no fruit. Hence the fig tree symbolizes sin, the fruit of sin or an evil work, since God's way is always increase by the bearing of good fruit. Noteworthy is the fact that only born-again, Spirit filled believers can be free from curses. The reason for this is that freedom from curses along with all the other benefits of the Kingdom are the right of inheritance of those who inherit the Kingdom of God; the bible tells us that one cannot enter the Kingdom unless one is born again first. The bible is quite clear that the blessing of the Kingdom are for the people of the Kingdom.

Open Doors to curses are as follows:

Involvement in the occult sciences such as witchcraft or Satanism or organizations using the occult sciences in an open

Or disguised manner such as: yoga, transcendental meditation, white
Witchcraft, black witchcraft, zen, Buddhism, Hinduism, all forms of
physical yoga and mental yoga practices (the physical and mental
disciplines of demonic religions) Freemasonry and other fraternal
fraternal organizations having secret rituals found in witchcraft
Or preaching a method of salvation of themselves, magic, sorcery,
astrology, palmistry, numerology, divination (telling the future)
through psychic channeling, New Age Movement and practices, Pagan
Religion, telepathy, clairvoyance, seances, Ouija board, tattoos etc.

Involvement in idolatry

Disobedience to God's word

Rebellion against God

Pursuing sexual sins or perversions or all sin for that matter

Self inflicted negative words or those inflicted by others

Or great sins

Suicide

Dishonoring parents or those in authority

Unforgiveness, bitterness, resentment, anger

Manipulation and intimidation for the purpose of domination of
others

Witchcraft in the church (Galatians 3)

Cursing God

Compromising the doctrines of Christ

Manipulation or defrauding of others. Wilful cursing of others. Tattoos

Coveting cursed objects. Defilement of self or others. Desecration of

the Body of Christ (the church) anti-Semitism. Divorce for reasons

Other than adultery (or perhaps abandonment) Touching the anointing

of the ~~anointed~~ anointed of God. Failure to tithe. To break a self-

inflicted curse through ones own negative words spoken over

oneself or those inflicted by others, pray something like this: father,

I take authority over all negative words and the curses spoken by

me or name binding Satan, first and all principles, power spirits,

hulen and wicked spirits in high places, all territorial spirits,

surveillance spirits, the strongman and all spirits on assignment, all in Christ Jesus Name. I bind those words and curses, loose myself and (or for the other party) and asking your forgiveness. And I decree the curse now broken in Christ Jesus Name. I speak blessing upon (name of person Cursed) in the Name of Jesus Christ (The blessing spoken upon the person should be the opposite of whatever the curse was. Then tell the Lord that you do this for his glory. Generations Curses can be broken off of oneself or others by praying something like this: Lord Jesus Christ, I confess to you all of the sins of my ancestors and predeceassors on all sides of all of my mother's and father's two families those of my spouses and those of all people from my part with whom I had a significant or intimate relationship, on all sides of all of those families, back to our families ~~my~~ origins, repenting of all of their sins and in particular of all of their sins that brought the curse of (name the problem) into our family line. I repent of all of these ancestral sins and all like sins of my own, because in so doing, they and I grieved your Holy Spirit and acted in hostility to father and I ask for your forgiveness for what they did also repenting of all of their witchcraft or any other acts of evil. I ask for forgiveness for whom ever they may have hurt as a consequence of their sins. I bind this (these) curses and loose us all from them, and break each generation curse off of my spouse and me (and any other saved family members), breaking all ties, bonds, cords and soul-ties with all of sins curses and spirits who carry them out. In restitution to all who were hurt by their actions on mine, I speak the born again experience, water and Holy Spirit baptism and the covenant promises upon those who still live and their loved ones and generations to come to 1000 generations and ask you father to call them to the Lord Christ Jesus and impart those things into their lives. I cut and sever all ties, bonds, cords and soul-ties with the curses, the sins and the spirits who carry them out and I decree that the curse, the sins and the spirits who carry them out and I decree that we are free and break each and every one of the generations curses, by the

Blood of the Lamb and the word of my testimony, my faith confession which bring possession; I decree that the curse (these curses) is (are) broken, for it is written that in that day you shall decree a thing and it shall come to pass. Job 22:28 your word says that where there is Christ, there is liberty. your word says that if the son shall set you free, you shall be free indeed. I stand on your word. Lord Jesus Christ, decreeing this generations curse broken ~~and~~ and for all time and I release the blessing upon (name of person or self), all In Christ Jesus Name.

Finally, the following are things which you should speak a curse at its roots upon in Christ Jesus' Name. All the seedings, works, plans and activities of Satan. All seedings, works, plans and activities of each and every evil spirit manifesting against you, to or through any individual, organization, adversary or would-be adversary this day from any day past or any day to come; all occult business or enterprises or organization that comes across your path; all disease at its roots including all cancers, coronavirus and cancer cells in a person's body, commanding them to die, cursing them at their roots in the name of Christ Jesus. All dens of iniquity including bars, adult books stores, masonic temples and organizations; false churches and false religions, ~~and~~ etc. The fruits of all demonic strongholds in a person, community, nation etc. The fruits of all acts of witchcraft that they not prosper; The sins and fruits of sin in a person's life, that it not prosper; all opposition, hindrance, interference, or obstructions (at their roots) to the hearing or propagation of the Gospel of Christ.

Continue very important section

I would appreciate the news media, doctors etc. Would stop speaking doubt in the atmosphere. It's just going to get worse. It's not leaving anytime soon. Please stop that all this about it's going to spread more. Basically be quiet on that note because you have prayer warriors praying around the clock ~~praying~~. What you doing is creating a spiritual warfare zone. We speaking healing and it be cut from the root. But you all is cursing what we praying for. It's ~~at least~~ alright to say the amount died. The other thing being said needs to ~~be~~ stop. It is power in the tongue - the bible says Proverb 18: 21 The tongue has the power of life and death and those who love it will eat its fruit. Proverbs 21: 23 He who guards his mouth and his tongue keeps himself from ~~evil~~ calamity. This a time that we need watch what you say and what you don't say are both important. Proper speech is not only saying the right words at the right time but it is also controlling your desire to say ~~what~~ what ~~to~~ you shouldn't. Examples of an untamed tongue include gossiping, putting others down, bragging, manipulating, false teaching, exaggerating, complaining, flattery and lying. Before you speak ask, is what I want to say true? Is it necessary? ~~Is it~~ kind. Short testimony two weeks before the coronavirus. My sister in law had sick cell. She had a bad ~~to~~ situation where her lung ~~collapse~~ and kidney collapse. She was transferred to Northside Hospital where she was in ICU. ~~At~~ while that was going on my great aunt stop breathing and up ICU. Neither had the coronavirus. We prayed and believe God for a miraculous healing both are alive in well ^{and} at home. We didn't speak doubt. For myself I prayed these prayers about to give you all every hour. During Duration of all this my granddad had a stroke and submitted to nursing home during the coronavirus. Plus another great aunt was ~~already~~ ~~at~~ already in the nursing home. You see prayer works but we have to watch our mouths. We spoke life over our family members. There is a question if the coronavirus leave, will it resurface? I had ~~operation~~ multiple cyst on my uterus they was 7.5cm each. I prayed ~~and~~ and cursed the root of these cyst they disappear never came back. We do believe had the same authority as Jesus but he said we would

do greater works. Jesus says the Disciples can Pray for anything
Mark 11:20-24 Early in the morning, as he was on his way back to
the city, he was hungry. Seeing a fig tree by the road, he went up
to it but found nothing on it except leaves. Then he said to it, May
you never bear fruit again! Immediately the tree withered. When
the disciples saw this, they were amazed. How did the fig tree
wither so quickly? They asked. Jesus replied, I tell you the truth
if you have faith and do not doubt, not only can you do what
was done to the fig tree, but also you can say to the mountain
Go throw yourself into the sea and it will be done. If you believe
you will receive whatever you ask for in prayer. You say why all
those people have died from coronavirus stop speaking death. You
can cause calamity with your tongue. What is calamity? An event
that brings terrible loss, lasting distress or severe affliction; a disaster
Or a distress due to loss or tragedy. If you doubt. Just be quiet ok.
If any other believers ~~want~~ want to come to agreement with me.
Pray this with me

Prayer

I curse coronavirus Disease 2019 in the name of Jesus. I command it
to wither and die to the root and will never bear fruit again. I
command coronavirus and its ~~an~~ infirmity spirit to go back to the
Abyss. I command the infirmity to ~~leave~~ leave the United States and
all other country never to come back again. I command the spirit
of premature death from coronavirus to be gone in the name of
Jesus. I command healing to take in body, mind and spirit over
every living coronavirus disease patient in the name of Jesus.

The Coronavirus Disease 2019

part 2

Why Fret?

Why worry?

Why fear?

Thank you all for helping each. Thank everybody on the front line the Doctors, EMT, Nurses, police, Sheriff, military, ^{wardens} Correctional officers, our government officials: who sacrificing their time and life. Why fret? why worry? why fear? Do you know the ~~Serenity~~ Serenity Prayer God Grant me the Serenity to accept the things I cannot change. Courage to change the things I can; wisdom to know the difference. Coronavirus is beyond the human mind can phantom. We don't suppose to worry about details beyond your control Genesis 7:16 Many have wondered how this animal kingdom round up happened. Did Noah and his sons spend years collecting all the animals? In reality the creation, along with Noah, was doing just as God had commanded. There seemed to be no problem gathering the animals - God took care of the details of that job while Noah was doing his part by building the ark. Often we do just the opposite of Noah. We worry about details over which we have no control, while neglecting specific areas (such as attitudes, relationships, responsibilities) that are under our control. Like Noah, concentrate on what God has given you to do and leave the rest to God. Worrying can cause us to forfeit peace with God Genesis 21:7 after repeated promises, a visit by two angels and the appearance of the Lord himself, Sarah finally cried out with surprise and joy at the birth of her son. Because of her doubt, worry and fear, she had forfeited the peace she could have felt in God's wonderful promise to her. The way to bring peace to a troubled heart is to focus on God's promises. Trust Him to do what he says what is God ~~promises~~ some of God promises for you?

Deuteronomy 31:6 Be strong and Courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you. He help Joshua succeed. God is No respect of person who help Joshua 1:5 Joshua's new job consisted of leading more than two million people into a strange new land and conquering it. What a challenge - even for a man of Joshua's caliber! Every new job is a challenge without God it can be frightening. With God it can be a great adventure. Just as God was with Joshua, he is with us as we face our new challenges. We may not conquer nations, but every day we face tough situations, difficult people and temptations. God promises, however that he will never abandon us or fail to help us. By asking God to direct us we can conquer many of life's challenges. Now let's talk about the lack of faith in God's control. What it can reveal. Psalm 37:8, 9 Anger and worry/fretting are two very destructive emotions. They reveal a lack of faith that God loves us and is in control. We should not worry. Instead, we should trust in God, giving ourselves to him for his use and safe keeping. When you dwell on your problems, you will become anxious and angry. But if you concentrate on God and his goodness, you will find peace. Where do you focus your attention? your rent, next meal, the economy, you losing your job, coronavirus. Imagine never being anxious about anything! It seems like an impossibility - we all have worries on the job, in our ~~homes~~ homes, at school. But Paul's advice is to turn our worries into prayers. Do you want to worry less? Then pray more! Whenever you start to worry, stop and pray. God's peace is different from the world's peace. The end result of the Holy Spirit's work in our lives is deep and lasting peace. Unlike the worldly peace, which is usually defined as the absence of conflict, this peace is confident assurance in any circumstance; with Christ's peace, we have no need to fear the present or the future. Sin, fear, uncertainty, doubt, and numerous other forces are at work within us. The peace of God moves into our hearts and lives to restrain these hostile forces and offer comfort in place of conflict. Jesus says he will give us

That peace if we are willing to accept it from him. If your life is full of stress, allow the Holy Spirit to fill you with Christ's peace. True peace is not found in positive thinking, in absence of conflict or in good feelings. It comes from knowing that God is in control. Our citizenship in Christ's Kingdom is sure, our destiny is set and we can have victory over sin. Let God's peace guard your heart against anxiety. God said in Philippians 4:19 and my God will meet all your needs according to his glorious riches in Christ Jesus. What is he saying we can trust God will always ~~meet our needs~~ meet our needs. What ever we need on earth he will supply, even if it is the courage to face death as Paul did. Whatever we need in heaven he will supply. We must remember, however, the ~~difference~~ difference between our wants and our needs. Most people want to feel good and avoid discomfort or pain. We may not get all that we want. By trusting in Christ, our attitudes and appetites can change from wanting everything to accepting his provision and power to live for him. So why worry if you can't understand everything? Nobody understand everything. Proverbs 20:24 We are often confused by the events around us. Many things we will never understand; others will fall into place in years to come as we look back and see how God was working. This proverb counsels us not to worry if we don't understand everything as it happens. Instead we should trust that God knows what he's doing even if his timing or design is not clear. The person in whom God delights is one who follows God, trusts him and tries to do his will. God watches over and makes firm every step that person takes. If you would like to have God direct your way, then seek his advice before you step out. What is the ill effect of worrying? Matthew 6:25 Because of the ~~bad~~ ill effect of worry, Jesus tells us not to worry about those needs that God promises to supply. Worry may (1) damage your health (2) cause the object of ~~your~~ your worry to consume your thoughts (3) disrupt your productivity (4) negatively affect the way you treat

Others and (5) reduce your ability to ~~trust~~ trust in God. How many ill effects of worry are you experiencing? Here is the difference between worry and genuine concern - worry in mind, but concern moves you to action. The Holy Spirit help us to stop worrying Mt 6: 34
Planning for tomorrow is time well spent; worrying about tomorrow is time wasted. Sometimes it's difficult to tell the difference. Careful planning is thinking ahead about goals, steps, and schedules and trusting in God's guidance. When done well, planning can help alleviate worry. ~~Worriers~~ Worriers, by contrast are concerned by fear and find it difficult to trust God. They let their plans interfere with their relationship with God. Don't let worries about tomorrow affect your relationship with God today. Overcoming worrying requires (1) simple trust in God, your heavenly father. This trust is expressed by praying to him rather than worrying (2) perspective on your problems. This can be gained by developing a strategy for addressing and connecting your problems (3) a support team to help. Find some believers who will pray for you to find wisdom and strength to deal with your worries. Seeking the Kingdom of God above all else means making Jesus the Lord and King of your life. He must control every area - your work, play, plans, relationship. Is the Kingdom only one of your many concerns or is it central to all you do? Are you holding back any areas of your life from God's control? As Lord and creator, he wants to help provide what you need as well as guide how you use what he provides.

Testimony

My boyfriend and I was struggling financially. He had just got a job. We had just moved in apartment (low income). The struggle had got real. We both was ~~not~~ raised up in a Christian background. My uncle got killed by the police. He lost his faith in God. I was molested ~~in~~ three times and rape. So we was living in sin because we wasn't married. Fornication is against the will of God.

Continue.

We both knew we wasn't in God's will. But our struggles was so huge. Our son needed pampers. We didn't have no money. I told my ~~to~~ boyfriend. I am going to pray. He laughed at me saying God is not going to hear you. I said I betcha he will. I went upstairs in our room. Got down on my knees. I said Lord forgive me because I have sin against you by fornicating with my boyfriend. I said please forgive me Lord. Have mercy upon me. I said Lord you said you will supply all my needs according to riches in glory. Then went back down stairs. The doubter was still talking. A hour later there was a knock on our apartment door. It was my boyfriend mother who is a christian lady. She said I came by to see if you'll needed anything. To see if I wanted to ride to the store with her. I said yes we got the things we needed and all baby diapers. My ~~and~~ boyfriend mother stay in Donaldsonville, GA. We stayed in Bankbridge GA. I never called her or anything. God put it on her heart to come see if we needed anything. God provided for us. He can do the same for you. you got to believe!
