Subject: ENCOURAGING MYSELF IN THE LORD

CHAPTER 21

My heart is in God's hands. He turns it where in righteousness he so desires

I will continue to ask God, "search my heart"

I will do justice and judgment

I will strive to avoid the sin of having a prideful heart

I AM no better than anybody else

I think on good things and thoughts of righteousness

I will not seek death through the vanity of a lying tongue that's in hot pursuit of blood money

I will not refuse to do judgment

I refuse to steal from myself

Righteous actions will be birthed from my righteous heart. God bless u

My soul desires good

My neighbors find favor in my eyes

I would rather be single and living on the rooftop than to dwell in a mansion with a brawling woman

When I AM instructed I receive knowledge, wisdom and understanding

I will learn a lot from the wicked less I should mimic them

I will feel the pain of the poor enough to intervene. So help me God

I will give the gift in secret that pacifies anger

Now I will bestow upon others the reward that extinguishes strong wrath

I will enjoy the just joy that comes when I execute righteous judgment in the capacity God has called me to

Now that I am spiritually alive I refuse to wander out of the way of understanding or gather with the congregation of the dead

I will keep the pleasures of this life in their proper perspective so I can get and stay spiritually rich

The Lord is my savior who gives the wicked as a ransom for me, as I live to walk in righteousness

I'll move to the Sahara desert before I marry an angry bitter and argumentative and nagging woman

God has blessed me with the treasures men so desire, because I fear the Lord enough to walk in his statutes

By following hard after righteousness and mercy I am promised to find abundant life, Christ righteousness and the honor that comes from God alone

God is on my side and no man can stand before me

God is my strength and my confidence

I keep my soul from evil by asking God to help me keep my mouth and my tongue. Amen

I surrender my desire to respond in proud wrath to God. He will save me

My hands refuse to not labor day and night

I will give of my material and spiritual possessions

I cannot out-give God

God help me worship U sincerely and not offer the sacrifice of the wicked

As I value not perishing more and more I come to testify more and more truthfully

God, please direct my way. Amen

I confess there is no wisdom or understanding or counsel or weapon that can defeat or destroy the Almighty God

Despite having the ability 2 fight my own battles I will not. See the battle is the Lord's 2 fight.

Amen

CHAPTER 22

I AM full of Christlike character n God richly blesses me with loving favor as do others

God help me 2 see U in the rich n the poor, as we all are created in Ur lovely image

When I 4see evil I will strive 2 hide myself

My humbleness of heart,soul n spirit coupled with my fear of the Lord Jesus will lead 2 earthly n spiritual riches,

not 2 mention honor n abundant life well as eternal life

I AM 2 keep my soul from thorns n snares; sin n wickedness

I AM fulfilling my godly responsibility 2 teach my child(ren) about the Lord Jesus Christ while encouraging them 2 make the decision 2 have a personal relationship with Him

In accordance with the promises of God, I AM a lender not a borrower

I will not sow iniquity which means I won't reap vanity

I AM bountifully blessed with a heart that cares 4 the poor, so I can give expecting nothing in return

I will not intimately associate with scorners

Jesus,who loves pureness of heart,is my friend

God is my self preservation my spirits life preserver

I AM an industrious man with a work ethic that strives 2 please the Lord

As I determine 2 live 4 Jesus, he will keep me from the seductive words of strange women

Righteousness, by the grace of God, is being bound in my heart

I will seek God's wisdom in my giving less I be vulnerable 2 favoritism

I love 2 keep my ear 2 heavens street 2 listen attentively 2 the words of wise men n women, so I can go about applying my heart unto godly knowledge

It is a most pleasant thing 4 me 2 keep God's truths in my mouth n deep within my spirit

That my sole trust may be in the Lord Jesus Christ

God has written unto me lovely things that are excellent in wonderful counsel n highly knowledgeable in righteousness

Because of this I know God is the truest truth

I will boldly share this truth with those who run up asking y I have faith in God

I refuse 2 rob the poor. Like wise I refuse 2 be an oppressor

Thank U LORD 4 pleading my cause n that of the oppressed

It's not in my best interests 2 have close friendships with angry n furious individuals

Being around them will only serve 2 make me angry n furious n ensnare my soul in ungodliness

Being someone's surety also enjoins my precious soul,so it's 4 me 2 avoid situations where someone just want 2 use me as they cosign

I don't need the burden of them not paying the loan back n my collateral being snatched from under me

I will respect other peoples boundaries: physically, financially, locationally, emotionally, socially, spiritually

I AM diligent in the business of work

This will bring me in the presence of CEO's, Presidents, World Leaders n the like

Diligent in the pursuit of his kingdom, I will peacefully stand b4 God, now n when the time comes

I greatly rejoice in the righteousness of my beloved children.

Yes! My children are wise in the things of God

This makes MD a good father in God's eyes

I AM giving God my whole heart

I AM single minded in observing his ways

God I need U 2 keep me from promiscuous n adulterous women

Alcohol shall not have dominion over me

Amen

CHAPTER 24

God help me not 2 be envious of those in "the game": give me the strength 2 not be joined at the hip with them

My heart will study war no more

I will build my house upon the wisdom of God n by his understanding it will be established

By exercising God's knowledge in my daily affairs my house will be filled with all manner of riches

I AM a strong wise man

A man of knowledge who's going from strength 2 strength

I AM trusting God's wonderful counsel 2 counsel me

By prayer, effort n sheer discipline I will obtain Godly wisdom

I desire 2 do righteous things that are well pleasing 2 God

I AM determined 2 think on the things of God

My heart will not faint in the days of adversity, 4 God is my strength

By the grace of God I will strive 2 deliver those who insist on dying n being eternally separated from God's loving presence

I will not make excuses 4 not doin what I know 2 do

As I feast on the word of God it gets even more sweeter 2 my soul

I know my faith in God shall be rewarded, now n in eternity

I will plot 2 do good

Refusing 2 stay down I get back up n stand tall after each n every fall. Amen

I AM not going 2 pray 4 my enemies downfall or cheer when he or she suffers the inevitable consequences of they behavior

I AM going 2 pray 4 him or her n speak blessings over they life like Jesus instructed me 2 in Matthew 5:43-44

Jealousy 4 the wicked n evil person has no place in my heart

I AM secure in my relationship with God, the Father

My righteousness is profitable unto eternity

My behavior will be dictated by my fear of the Lord

(I may not be all the way there yet, but I AM getting there)

I will not fall into sudden destruction, that's 4 the wicked

I AM not going 2 show favoritism 2 rulers or those in authority: they human just like the rest of us

I will not blow smoke by telling the wicked, " y'all righteous! "

I AM going 2 encourage them 2 turn from their sinful ways

I will pursue n develop relationships with those who prayerfully provide godly counsel n companionship

I count the cost b4 I get involved in any endeavor; there 4 I AM properly prepared 2 patiently finish the work I started

Loving my neighbors as myself, I won't lie on them or 2 them (God need Ur help 2 do that)

I AM not going 2 take revenge on my enemies nor am I going take vengeance in my own hands
I AM a life long learner who learns from others mistakes
I AM always awake there4 I shall not want 4 anything
Amen

CHAPTER 25

I will learn the word of God by copying it down n committing it 2 my hearts memory
(Deuteronomy 17:18-20)
I will search 4 n discover spiritual gems God has hidden in his holy word
In addition I will search 4 n discover the purpose 4 which he has blessed me with life in the 1st
place
God's heart truly unsearchable. As I become more n more like him,my heart becomes similar
At this very moment God's love is purging me of dead works n any propensity I have 2 be
enslaved by sinful inclinations
A king in my own right,my throne will be established in righteousness n by righteousness
Humility requires that I stay in my lane n not cross into others
I would rather be told " come up here" than " what u doin in so n so seat?"
I AM asking God 2 help me not be so argumentative
I don't have time 2 get into debates over frivolous matters
(Jesus calling!)
I choose not 2 sow arguments so I won't reap shame
I will graciously speak words that are fitly spoken 2 be uttered by the mouth of kings
I will listen n obey when reproved by God
I AM a faithful messenger sent by God
I acknowledge that I don't know everything n don't have every gift/talent
I will not brag bout having gifts I don't have
I AM going 2 utter soft words that bless hearts
The Word is honey n I will eat a sufficient amount based on my dietary needs,which change
daily
I will be mindful 2 not wear out my welcome or overstep my bounds
My tongue will not be a sharp sword but an instrument of peace
I will confidently trust in my faith in God
I will offer a listening ear n the comfort of compassion 2 those with a broken heart
I AM going 2 feed my hungry enemies the Bread of Life
I AM also going 2 offer my thirsty enemies the Water of Life
By telling them bout the goodness of God I will not only stop them in their tracks but obtain a
reward from the Lord Jesus Christ
I will strive 2 maintain a joyful disposition - even in prison
I would rather die lonely than have a brawling wife
I will bless thirsty souls with the good news that God came down from heaven 2 ransom us back
2 Himself
God,help me overcome my fear of man. Amen

I AM going 2 love 2 exhalt God not self
I AM choosing 2day 2 surrender 2 the Holy Spirits power
Amen

In Jesus name I speak death 2 the causeless curses n miscellaneous words spoken over me n my life n loved ones

In humility I will seek 2 serve the Lord

I will not embrace the foolish actions or the philosophical doctrines of those who don't honor God

When moved by the Holy Spirit I will utter the wisdom of God 2 those who are living in foolishness

Rather than dig pits 4 others I will cover them

Rather than help others fall into sin I will help them fall into righteousness

Lying destroys u from the inside out,I AM not seeking 2 be destroyed

Amen

CHAPTER 27

I AM not going 2 boast or brag about what's gone happen tomorrow cause 2 do so is 2 set myself up 4 disappointment

It's unbecoming 4 me 2 be my own hype man!
I will avoid walking in foolish wrath since it doesn't manifest the righteousness of God
I AM so blessed by God there's no room 2 envy others
I will love openly
I will flee the deceitful kisses of the enemy
I find spiritual fulfillment in Jesus Christ

God, my provider, will provide 4 my household.

Mrs T,

Happy midnight 2 u as its 12:22am in ur location!!

How r things?

Thanks 4 ur most recent response. Brightened my day!

Thanks 4 the " brilliant post"

It inspires n encourages me 2 write n Freely post. Just as well it let's me know somebody is digesting that which I'm moved by God 2 pen. Currently finishing up these Proverbial Declarations which r loosely based on the book of Proverbs. On chapter 31 which features the characteristics a godly woman/wifey should possess. I like it n know in my heart my future wifey has the kind of spirit n heart n mannerisms n style that's taught in the text. Also know that I'm becoming the type of king listed in the first 9 verses!

Meanwhile felt the urge 2 change the title 2: ENCOURAGING MYSELF in the Lord

Fits the text better n honestly speaks 2 where I'm at personally n my desire 2 grow in the Lord.

Reminded this is a dog fight!!

Thanks 4 the spin u put on the words.

Never looked at it as a manifesto

Love how u broke it down

Took me a while 2 get,then it dawned on me like 30 seconds later!

Thanks

Well I'm inclined 2 "encourage myself " via the book of Ecclesiastics n post that as well. Really the 2 books seem 2 go hand in hand! Reason I penned rhyming poetry based on both in the first book I wrote in prison :Urban ProveAmen

Well me n my loved ones r OK 4 the most part! Just always have 2 deal with those who love the smell of dirty laundry! Who choose that 2 b their identity! Sorta like the man Jesus encountered at the pool. He asked him a simple question: Do U want 2 get well?

Do U want 2 get well?...

Had 2 ask myself that question the other day. Watched a movie called Coach Carter in it the coach asked one boy " what's ur biggest fear?" Well a roomy asked me n I said," going 2 hell." But that changed. When the end of the movie rolled around the guy told the coach, " our biggest fear is being ourselves" I'm paraphrasing, but nevertheless I had 2 acknowledge that I do fear being myself at times.

Like in here sometimes I don't walk in love n instead have a demonic swag like try me if u want 2...

Bogus!

Need 2 want 2 b well all the time!

Have 2 stop fearing others opinion of me when it comes 2 my walking in love. Shouldn't b ashamed 2 love like Jesus did, even when around hardened criminals. Have 2 determined 2 b my authentic self. Amen

Along them lines I was inspired 2 write a song like 7 something this morning

In it just poured out my heart 2 God as I listened 2 a sermon n prayed 4 God 2 bring the lyrics that came 2 me in a dream 2 my remembrance. Amen

Now 2 ur second post...

Yes I'm free of the Corona pestilence! No one here has it though we were locked down 4 a day n a half as 2 men were taken 2 the hospital with Corona like symptoms! Guest they both alright though I haven't seen the one I know personally. Interesting

NE who they have instituted rules n ways 4 us 2 engage in their version of social distancing! Its cool only thing really drive me nuts is " no basketball " can't even touch a ball! Miss shooting around. Watching old NBA / college games on TV makes me miss it more. Oddly enuff yesterday n today they put on old Finals games. The 2008 n 2010 championship games. Both featured Kobe n the Lakers vs Paul Pierce n the Celtics. Yesterday the Celtics won! Today it was the Lakers.

Yeah I'm with u there was more emphasis on Kobe dying than anybody else including his daughter! :(

Feel u on the police situation. Been through it like being stopped 4 being in the wrong neighborhood. Which led 2 us being put faced down in front of my best friends house! Good thing she n her mom intervened! " hey y r u messing with them?"...

Course they could've been stopping a shooting in the hood or solving cold cases. Never did find Cheeseburger killer

Well they doing the same thing over here! No church! Guess they broke up an event 2day that was holy week related. No love!

Still I know god the only one can solve this problem. Amen

Yeah I've heard of burpees! Used 2 do em! Girl do they take a toll on ya knees! But they do give u mad cardio. Would do some in my cell but I have 2 share space n smells! With 3 others! If I still had my single cell I'd get it in. But on that note we got rec in a half hour might do some there unless I can get on the elliptical then that'll b my cardio. Did do some walk-in earlyer. That was cool! Got blessed with a book that has a deck of exercise cards inside but have yet 2 play with it! Gone have 2 invest in some exercise gloves kool aid n a healthy mount of fish n peanuts b4 I go hard on a routine. Have been still at it though,know my wifey cant wait!

Can already see my chest sticking out ! Getn a 6 pack gone b the hardest!

Wish I was there in jail! I'd run up n down playing ball by myself! Yeah I like the Harlem Globetrotters. Wish I could jump like them or dribble like them. Do want 2 see em in person one day. Take some poor kids with me

They'll love it

Football cool, big fan of the Cowboys. Only seen rugby like once on TV its alright but everything is different once u know the rules n the objectives.

Know I'm so not a fan of baseball or hockey or golf or NASCAR though they got some cool jackets. Rugby also got cool shirts

Yeah ur right bout the hardest part of prison being the time right b4 release. Lotta a pressure just cause I can't wait 2 actually b free n wrap my mind around it! Right now its still foreign 2 me, like a dream! Feel me?

Like I know what I want it 2 mean but what does it mean really? All I can do is inaccurately fantasize. Just know I want 2 succeed n not ever b in prison again! Amen

Taking ur advice I've taken steps 2 stop lookin at the walls! Bought a couple songs 4 my tablet n created a place list entitled My Write 2 Write

Now I just got 2 go get it

Also working on hiding God's word in my heart so I can put it in practice.

Even moving slower! When I see potential traffic jams / road blocks I step aside n recalculate, waiting 4 the coast 2 b clear b4 I get my move on.

Yeah I'm gone make it. Amen

Bout 2 get back 2 focusing on my dreams coming true!

N they can 2

Friday seen one of my inventions on shark tank! N course they got invested in by Damon John.

Should've been me getn my removable/ interchangeable shoes n soles idea licensed 2 companies 4 top \$\$\$\$\$\$

The name of the comp is MUVES

Then a comp called Bad Birdie which makes fashionable golf Polo s got invested in.

Could b me

Next time!

Well found out

MY PAROLE HEARING ON APRIL 29

,:)

Pray 4 me

Alright young lady time 4 rec!

Later

Love on ur loved ones
