

CORONAVIRUS. ... At Robertson LINT

To: BETWEEN THE BARS - COM Apr. 8
WENE DO I BEGIN. ... THIS IS APRIL 7 2020. ... I AM
WELL HEALTHY WISE. ... ITS CRAZY WE WATCH TV AND
EVERY ONE OUTSIDE THESE WALLS EITHER HAVE BEEN
AFFECTED OR SOME HAVE EVEN DIED DUE TO THIS
VIRUS. ... I SEE THIS AS WHEN I WAS ON TV
DEATH ROW ITS LIKE I WAITED 22 1/2 YRS TO DIE
IS THAT WHAT THIS CORONAVIRUS IS. ... AGAIN. ... I
DONT UNDERSTAND. ... THESE GUARDS WHO WORK HERE
GET TO LEAVE. ... GO HOME. ... BE WITH THEIR FAMILIES
THEN COME BACK HERE?

MOST DONT REALIZE THE WORKINGS
OF A PRISON SO LET ME GIVE YOU A MENTAL PICTURE
WE OFFENDERS AS THEY CALL US. ... DONT WEAR MASKS
AS YOU SEE OUT IN THE WORLD. ... THE OTHER DAY
THEY RACKED US UP AFTER WE WALKED TO THE
CHOW HALL. ... NOW WE ARE NOW SEATED 2 AT
A TABLE. ... THEN WE'RE SENT BACK TO OUR
DESIGNATED WINGS. ... BUT LATELY THEY BEEN HAVING
OUT'S OFFICERS WHO ARE BEING TRAINED. ... THEY
LINE US UP AS A INSTRUCTOR EXPLAINS WHO
WE ARE. ... BUT THEY "PAT SEARCH" US WITH
GLOVES ON AND NOW A "MAKESHIFT MASK". ...

I AM BESIDE MYSELF WHEN YOU SEE ON
TV THAT "CROWDS" ARE OBSOLETE. ... IN PRISON
ITS ONLY FOR ONE SIDE. ... ?

NOW MOST DAYS GO SMOOTHLY
THEN YOU HAVE THESE ONES I CALL THEM GREY
SUITS. ... WE OFFENDERS WEAR "WHITE ISSUES"
THEY DO WHATS CALLED "CELL SEARCHES"

OVER —

But here they're touching your cell.... Now I understand they wear gloves but there is a 99% percent chance a infected person can not know there infected?

A virus is what you touch or as you touch your face, nose or eyes after a guard has done a cell search but its not just 1-guard, they've been having all officers go in the cell so you have not one but 5.... Who knows what they touch or do in your cell? they dont take off the gloves they just work in one cell... or no they use the same in every cell? do they issue a protective mask no... they send a necessities officer to throw under your cell door a nasty dirty piece of cloth they call it a "cell-towel" we're suppose to fold it as we walk back & forth from chow or anywhere, but here is the mask  the guards the ones there suppose to protect us they say? ... not the offender

I can write books & books on the so called Tdcj-violations... every where you go you can see... & hear too... but I got a letter from my friend in Indiana last night feather John... I'm in the prep by answering it... But I do realize ones read these words, I'm wanting to hear
