WHAT'S YOUR FAVORITE BOOK?

I've been compiling a list of books to recommend for reading, these books of literary, or cultural value, must read additions to anyone's mental repertoire.

   Please, Look over the *list-in-progress*, and feel free to comment on any, point out any errors, or tell me of any book I should add (and why).

Books:

- Brave New World (1932), by Aldous Huxley
- Nineteen Eighty-four (1949), by George Orwell
