4giveness is a choice, where I choose 2 not focus on Ur shortcomings, but choose 2 focus on who U R/can be/what I like about U (Ur Upcomings! If U will)

By 4giving U I 4give myself 4 being guilty of the same thing (hurting others)

4giveness is a choice Love chooses 2 make

God is Love

I H8 hell

N

Hell on earth

Been in both

Since day of my birth

Red my net-worth

Love n H8 I'm cursed

ONEDAY in 2019

God's my life insurance, my strength 4 endurance

That I may run this race,at a steady pace

With sandals laced,less fall on my face

4get my faith

During these millions of miles,with millions of wiles

From da devil,open Book ,keep me level

Ruled by God's rule,set free - I'm da mule

He got need of

Life Lessons

We go 4 pretty faces

Hopen

The persons morals n values

R just as pretty

Lust comes at a price

We project attributes, morals,n values

Onto others

Then blame them

When they let us down!

I'm so selfish
I put my self n selfish desires n worldview onto others
"u let me down"
Yet this was contingent on the ID I put on U
(,whoever U R)

Learned Jesus love by expressing it 2 others

The assumption is we become things simply by the fact that we exist sd things n or R partakers
in n of things

The assumption is that we become things simply by our being things who engage in things,such
ad life,marriage, work

Boy doesn't automatically become a man because he does things associated with manhood. In
reality he's just an older boy

Marriage don't make U a husband/wife just makes U married!

Going 2 church don't make U a Christian

Being released from prison don't make the person Free!

Nor does having a kid make someone a parent! Hence Y the terminology

Baby mama n baby daddy...
