Subject: I Love Priska

An hour ago as I was talking 2 God about helping me walk in love n 2 bring some song lyrics 2 my remembrance (john 14:26) I had this notion come 2 me "what am I doing 2 love U"

Now that "U" is U,Priska

: )

So here's what I'm currently doing 2 love U....

Writing the story of my life 2 U personally (n in a memoir or 2) promise our lives got more similarities than differences

Praying that U will know I love U n that God does 2

Trying 2 locate U

Tearing up when I see things that remind me of U like the movie OVERCOMER

Kicking it with U in the world of my imagination!

Listening 2 songs Dads wrote 2 they daughters like Mockingbird by Eminem n Daughter by Nas

Deciding 2 write U a love song : )

Staying in shape so I can go running with U n B there 4 U long as possible

Eating healthy,getting check ups, drinking more water

Thinking of U

Writing songs,books,movies,etc with the hopes of getting \$\$\$\$\$ so can b a financial blessing 2

U give U things U want n need

Learning about women

Learning how 2 "listen lovingly"

Striving 2 put selflessness into practice

Working on loving God

Practicing fatherhood on those around me

Smiling

Staying outta trouble

Rereading Ur letters

Making choices with U in mind

Journaling

Thanking God that my time in prison bout 2 come 2 an end sometime this year!

Getting me an I AM WE bracelet

Telling U I Love U

Now U may ask Y I wrote this publicly

So here's Y?

I hurt U publicly

So U deserve a public apology

Priska

I'm terribly sorry that I made dumb choices that caused me 2 b removed from ur life

I AM WE  
Love Ur Dad
