clear between the bars.

It's been awhile since my last submission, since I'm not facing a death sentence, I try to spread out my fundings... See I'm in GENERAL population at the "Robertson Unit"

"About the Corona Virus has hit this unit, most don't realize about this Unit, it is set up Buildings, it has up to 12 Buildings also has 2 dorm Buildings, one I was told is on lockdown due to "infected" inmates who are now Quarantined, See it dorm has cubicles that house over 100 inmates in each Building... Compared to where I am on a 4 Building has 3 Sections D-E-F, I'm on F-3 section I'm in 49 cells each Building has Sections, each has 3 individual Sections that has 24 cells, each has 3 tiers, so you can get a mental picture, I've been on the Red Brick Building which has wings each has about 150 plus inmates like WYNE LIne, it is C-Wing has 4 wings C-1-C2-C3-C4, then

it has A1-A2, A3, A4, But A-1 is for close custody for inmates who are not permitted to work & they're on restricted cells and have to be escorted around? then close custody meaning they're on a disciplinary wing? once you complete the time you are moved back to Gen. pop. like A-wing is only 1-wing you can get a job and your custody is back to G-3 or G-2... it's complicated if any one who likes to know more don't hesitate to write me... here at the Robertson Unit or thru between-the-bars address I'm very happy to talk to you about "personal life"...

I don't have to incoming funds like I had when I was at Death Row I'm not really alone, I'm considered "old skool" I've been locked up 3 decades, so I've been around, but I do have "loyal friends" pen-pals, I've dealt with prison etiquette circumstances since 1988, most in life who rebel against authority or can't separate it I (all) it being institutionalized, I had to adjust from being in a "cage" cell as its called 22 hrs a day to all this freedom I even got my own window I can open or close...

let me say hello to my favorite friend, Fr. John Pfister, who reads my submissions.... I do pray he is healthy & coronavirus safe.... I listen to my

3.
radio like a Catholic... I was Raised to
As a Roman Catholic By faith, if they are
like to talk I'm full of "free time" its
most I know I'm stuck in a House
or Room... I do have some I write on
a regular bases... I'm into all of
variety of reading material, I'm a
fanatic of Murder Mystery... And also
zombies... I was into Marvel and
DC comic's... Batman & Spidey...
But life got in the way... I'm more
into writing & blog... And Researching
Bible Verses... like the "thief" or the
Robber who was crucified along our
Christ... Most don't realize how Saint
dismas helped the other thief who
name is getas... dismas paid 40
silver coins... (rachmas to leave them un-
molested, there is more to the story I
was given a Biblical dictionary this is
where I found more about ~~getas~~ Getas
then in a dictionary of saints? did most
realize that Christ was crucified on

Calvary which is called skull, but its name is Golgotha... "place of a skull" Who's skull? It was a garden but who was it? garden tomb, was what Romans? John 19: 41-42 it was on a Rubic Road... it is now the traditional site of Calvary was the church of the Holy Sepulcher is now within the walls which were built by the Turkish Ruler Suleiman the Magnificent?

Who can tell me about the Turkish Ruler?

I listen to AM station to these shows they talk about "Coronavirus" on 1470 KXXW "Rush Limbaugh" its 7pm now take care... I'll write more soon... April 27th... + mark Levine is on 1470 KXXW?
