Dear Lona 186,

05-07-20

Thank you so very much! You are so kind!

Sometimes I get disheartened because I get so few comments that I often wonder if anyone is reading this. Will is a friend of mine and only one of two people who knew me before my arrest who now write me. I've had to hound him to get him to read it. (my blog)

It means a lot to me when I hear from someone like you and I find out that someone out there really is reading my blog.

Thanks again!

Please take care of yourself + I hope to hear from you again.

Love
Blessings,
