"SEXUAL DEGRADATION"

These people love to make us jump through hoops and sexually degrade and humiliate us. Staff likes to put us through strip searches, even when its not required. For instance during showers here in P-dorm the rule specifically states, we're not to be strip searched.

see rule 33-601.830 section (5),(c) Prior to escorting an inmate from a death row cell for any activity within the housing unit, the inmate shall be thoroughly searched. If the inmate is escorted outside the immediate housing unit, the inmate will be strip searched and restrain devices (handcuffs, waist chains, black box, and leg irons) shall be used. In quote!

So this getting strip searched, bend over cough spread your butt cheeks, lift your testicles, stretch your penis seems to be more for their entertainment, and the pleasure of humiliating and degrading us, than anything else. Because clearly unequivocally the rules, as you just read, "does not require it." So this is sexual harassment at its best by the the FDOC. It can be called nothing else! For clearly they're enjoying the power of making another man strip naked and follow their commands. Why else would you require a man to get naked when the rule doesn't require it?? Yes this is something that needs to be brought to the attention of FDOC Secretary Mark Inch. For this is abuse of power in a sexually degrading manner. We need change and we need it now. Thank you for your time and hopefully your help.
