A PEEK IN HUMAN PSYCHOLOGY: " SALLY'S DEAD RABBIT ".

Tagline: The biggest problem with understanding and dealing with racism is the same people who are at the vanguard of the

Struggle, or in the positions of power to be the lead, really are uneducated about the subject matter they are task to

Deal with. Their approach to the subject matter is flawed and inconsistent with human culture and psychology /

Anthropology. The main principal element in racism, is the belief in your own supreme culture and supremacy

Over all others. While this is a very negative human trait, it is a natural human trait and the major one that has

Allowed the Human " RACE ", as a collective whole Revolutionized the human culture to where not only we

are the architects of space age technology, we are, relatively speaking, ' goddesses & gods ' in the animal

Kingdom. It is the abuse of that power that manifest the human evils that we are confronted with and

When combined with real and false fears , materialized in to human ugly. Even worsen, when cowards

With power act out.

SALLY'S Rabbit.

1.) The story goes, that one day Sally comes home from school . She call out for her Golden retriever , ' GROVER '.

put some fresh water & food in his bowl. Moments later Grover comes through the backdoor shutter. IN HIS MOUTH IS

A BLOODY RABBIT. (? " the next door neighbors RABBIT ,her mind internally register)

Which is very distinguishable based on its all white fur with a single Brown spot on it's left foot.

2.) Fearful that Grover would be put down or taken away, her mind automatically goes into panic mode. For, Grover's always getting into trouble, But He ' never ' Killed any of the cats or the neighbors RABBIT ! /?

3.) Sally had the kind of relationship with her parents that, she could talk to them about anything and they would use it as an Opportunity to educate, before judgment or another measure. She never actually been punished before by them. But this time Grover had gone too far. She told her self. She can't tell them.

4.) Sally quickly takes the RABBIT out of Grover's mouth and run to the basement sink, lay it down and then run up the stairs. She returns quicker. She gently start washing the blood out the fur using some of her finest unscented shampoo. Made of natural compounds and very expensive. Taking a moment to breath , she examine the fur on the RABBIT for any missed blood. With deliberate speed, she goes out the backdoor, and place the RABBIT in the neighbors backyard by the garage.

5.) For the next few days, Sally pray literally that she gets away with it. But on the third day, her Father call her into his office . She knows it must be very serious ! As the office is his business space away from the Law firms main office.

6.) " Sally have a seat " , As she sit he begins. " I want you to come straight home from school and stay in the house until you're mother or I come home the next few days.

SALLY ABOUT TO CONFESS WHEN HER FATHER , ASSUMING HER COMPLAINT, CUT HER OFF.

7.) "" I talked to Rick & July . their rabbit was killed . Accidentally, Rick ran over it a week or few days go. And some Lunatic Dug up the RABBIT wash it up of all the blood & dirt, and placed it in their backyard on the side of the garage.

8.)" We don't know if it's a prank or some other kind of sick SATANIC behavior. So for the next few days , I need you to come straight home from school and stay in the house until you're mother or I come home. I need you to be very careful the next few weeks and be very observant of what you see, who you see and what they look like."

9.) Sally was both relieved and disturbed that everyone now think that Devil Worshippers are running around the neighborhood. But at least Grover has been VINDICATED. and she did not actually conceal his murder.

IT IS THE BASIC HUMAN INSTINCT, TO WANT TO PROTECT OUR OWN AND TO CORRELATE IN SOME FORM OF CAMARADERIE. IT'S ONLY WHEN WE DENY THAT SAME HUMAN RIGHT TO OTHERS AND DEMONIZE THEM TO MAKE YOUR GROUP MORE SUPPERIOR, WHEN THESE NATURAL HUMAN TRAITS BECOME HUMAN EVILS AND YOU BECOME HUMAN DEVIL'S AND LOSE YOUR SUPREME BLESSINGS AS HUMAN gODS.

Until this pen weeps again, Stay Safe and Stay Loved. 10:16am.
