PDCI poem

U got nothing 2 lose

I got nothing 2 prove

So there's nothing 2 choose

GOD OWNS GREATNESS"

U were born 2 fly

Y R U walkin?

U were born 2 lead

Y R U following?

U were born 2 B somebody

Who convinced U

U were a "nobody"?

U were born 2 reach 4 the stars

Y R U sit'n on Ur hands?

U were born Heaven Sent

Y R U run'n the other way?

U were born 2 B GREAT

What's standing in Ur way?

C.L. June 22,2017"

Wish I had hug stains

From the Lamb that was slain

Love out this pain

4 my spiritual gain (ssssshhhhhhhh)

So the anointing can reign

Over vanity n vain

Keep my mental mind sane

I won't b found pain

Like Abel from Cain

From victory I won't abstain

Haters continue they disdain

Waters out my belly. David Blaine

Move me out da way. Jesus fame

Holy Holy Holy we give Jesus blame

Imma match ,He da flame

(n god blessed me with a hug after I penned this Amen)

Not afraid 2 sleep,that's 4 sinners
Not afraid 2 eat,what's 4 dinner?
Not afraid 2 clap,that's 4 winners
Not afraid 2 fast,that's 4 thinner
Not afraid 2 rise,that's 4 stars
Not afraid of drive,that's 4 cars
Not afraid 2 spit ,that's 4 bars

"May 12,2020" Jeremiah 7

U trust in Lyon prophets, that can't profit
Said they made the rain,but can't drop it
They wear falsely n commit adultery
Murder n steal
Burn incense 2 pieces of steel
Making God's house,den of robbers n thieves
Feasting on sin,just wanna gobble n leave
Thinking God don't see U,nice try yo!
See U want da punishment, that came 2 Shiloh

Leave U silo
This da funeral n da bio
