Mrs. Eva R. Swanson

Glad 2 meet Ur acquaintance.

Thank U 4 "transcribing" my Mothers Day post n that entitled Prison Life

Thanks 4 Ur faithfulness 2 Ur volunteered time n attention

U R valued n appreciated

So on b1/2 of all those at btb whose writings n drawings U give life 2

Bunches of thanks

N a box of Bunches of Oats!!!

I recognize Ur voice?

erswanson?

If U don't mind me asking - is "R" 4 RACHEL?

Just curious!?!

Not trying 2 put all Ur vitals on the internet or nothing

Just curious!?!

I think the definition of RACHEL is so cool,that's Y I asked...

Just ran across it in some Bible skimming I was engaged in...

Meanwhile I am eternally grateful 4 Ur prayers regarding my Parole hearing!

Here's how God answered em!

...on April 28,2020 I received

A denial of release

Did get an 8-month defer (deferment) which means my next Parole hearing is in December 2020!

N the Parole Man gave me Work Release (think Huber) if u not familiar with prison lingo

Work Release is where U R given the opportunity 2 work a regular paying job on the streets (is McDonald's) n U just pretty much sleep in prison. Course U now have 2 pay Room n Board. Its all good!

Now I'm just waiting 2 leave...

NE day now,might even b next week!

Ur prayers 4 my family were answered in this way....

Talked 2 my sister n was able 2 tell her "Happy Birthday n I love u"

Was able 2 surprise my moms n nephew with some masks n a coloring book!

Days b4 Fathers Day was highly blessed 2 get my daughters number :)

My prayers were answered in this way...

One of my codefendants got released June 9,2020!!!

:)

Now both of em R free

:)

N I think its 4 me 2 retitled my memoir in order 2 better reach my target audience  
The words struggle 2 release themselves but I know they will run towards they freedom once  
I'm around fellow writers,authors etc...

Thanks 4. Listening n transcribing

God bless Ur hands

Thanks 4 the <3

:)
