Good afternoon, SocialJusticeisBiblicallybased

1st all

Love the name

Agree with the concept

Amen

Definitely hard work!

Like at the moment, I'm trying 2 ignore, overcome the mental images that R provoked by the yelling n screaming that accompanys the provocative theme of the Jerry Springer show! Nuff said.

So I grabbed my tablet, put on some music n decided 2 finally respond 2 Ur thoughtful n loving words of encouragement

Thank u

Preciate the highly meaningful compliment

Guess it was carefully prepared n speaking highly on the conclusion 4 humans known as love!

Trying 2 get there myself. Like I mentioned I don't know love 1st hand so much! Prison promotes H8 pretty much! No kindness, love, compassion, mercy, grace, 4giveness, or loving kindness round these parts! So 2 embody love n dispense it, is a fight in itself!

I have gotten it wrong more than I've gotten it right! Sometimes thought I was walking in love but it was actually pride n ego n showmanship n seeking mans approval/pat on the back!

God has since been maturing me.

So b it.

Selfless love is way harder than shallow love

No wonder most of us choose superficial love over intimate Jesus type love!

Love is easier from a distance!

Love is realer when its face 2 face.

Jesus actually touched lepers. Quite sure he hugged them 2!

Take Jesus 2 get me there

Thanks 4 the uplifting words. Lord knows at times I be in the dumps cause of my heart attitude.

Being surrounds by foolishness 24/7 takes a toll. Ask Lot!

Seems no one wants Jesus as they cure all! Seems they comfortable with stress, worry, anxiety, trying 2 playgod over themselves others! Ouch!!! Ask me how I know!!!!

Oddly enuff had just penned in my diary that I need 2 focus on reaching 1 then Ur letter came calling me successful. Look at god : )

Reminds me how in spite of Davids sin with Bathsheba he was referred 2 as a man after gods own heart.

God sees us better than we see ourselves.

God used u 2 tell me

"U R SUCCESSFUL"

2 times,

So it must b true!!!

I pray peace follows me n that Mercy covers me like a blanket as well

Pray love becomes me!!!

Ur social justice n u r now 4ever in my prayers.

May god bless u with the wisdom n direction 4 ur ministry.

Jeremiah 10:23,24

U will do great things n succeed.

Promise.

Respectively

MRF
