Poetry

CDCR: B14364

NO INMATE HEAT PASS

The patient is currently not prescribed any heat medication.

across the darker sky
the stars are filling
the night
the moon shines
with the reflection
of a far away sun
warming our hearts
as we lay together
with only distance
between us
camouflaged in darkness
I can still feel
the love
from your heart
carrying the light
from your smile
guiding me back
into your arms.
