Dear Mimi,

Oh! My! Dosh! Thank you so very much for your kind comments! I am very touched & it honestly means a lot to me. Unless someone says something I honestly don't know if anyone is enjoying my blog (or ever reading it). Thank you so much!

Oh, you should definitely read "Game of Thrones." Even if people don't like "fantasy" it's a great series of books. I just wish he'd finish it! I couldn't watch it on TV in prison & he left off with Book 5 (in 2011...) which has SEVERAL cliff-hangers. Ugh!

I mainly like "fantasy" books (love vampires!) 'cause they take my mind away from this place, but, being from England you may find it interesting (or funny) that I also love biographies of royalty. I am about to finish Alison Weir's "The Lady in the Tower" about Anne Boleyn. Plus, I can name every British monarch from William the Conqueror in 1066 to the present Elizabeth II! God save the Queen!

Yes, I'm a dork.

This lockdown is driving me crazy! Plus, it's really not healthy mentally or physically.

As for the coordinator, if you meant the Buddhist volunteer coordinator in San Francisco, I've written

him off. He's such an ass. I will be pursuing
pempals elsewhere.

Yes, I am worried that COVID will become the
"new normal." Are we going to go through this every
year now? I sure hope not.

I have a question, if I may. People have
mentioned doing a "transcription of [my] post" before,
but I'm confused about what that means. What
needs to be transcribed? Can you explain?

Yes, being stolen from drives me insane! I can't
afford to replace things - especially when I can't work
like I used to. Hopefully now that I'm in a new
unit that will stop (news on that in my latest post).

Mimi, again I thank you. I'm so glad to have
heard from you + I hope to again. I'm sending you
a BIG HUG!!
