

## COV-19

People why are we taking this COV-19 not seriously by not wearing your face mask, staying at least 6 feet away from ~~o~~ others, avoid contact with people who are sick, washing your hands often, with soap and water, for at least 20 seconds each time, use hand sanitizer if soap and water are not available.

Why is it important to wear your face covering? you wear a face covering to protect others in case you're infected but don't have symptoms. Keep the covering on your face the entire time you're in public. Don't put the covering around your neck or up on your forehead. Don't touch the face covering and if you do, clean your hands.

It's vital that you wear face covering correctly by wash your hands before putting on your face covering. Put it over your nose and mouth and secure it under your chin. Try to fit it snugly against the sides of your face. Make sure you can breathe easily. I have more than one face mask. The one I wear I wash every night. As grown up we need to stop

following behind the President, <sup>COV-19</sup> Mayors etc who is not wearing their face mask because when you about to die from COV-19 or just sick from it. Donald J. Trump is not going to be no where in sight. You don't live foolishly because so one else you look up does. Remember there is a important word. you should be focus on living staying alive for you and your family. The action word is ~~caution~~ Caution I am taking Caution not risk to see if this COV-19 is real. Then if you get it. you telling everyone I should have listen. People stop taking chances with your life babies. Living is very Important. I want you all to listen to these words proverb 5:2:15 The way of fool seems right to him Donald Trump no mask but a wise man listens to advice. Foolish failures think they need no advice. proverb 21:11 When a mocker is punished, the simple gain wisdom. When a wise man is instructed, he gets knowledge. It is usually better to learn from the mistakes of others than from our own. We can do this by observing other people's lives and listening to their advice. Take counsel from others instead of plunging ahead and learning the hard way from COV-19 Remember your life and families are important

Where is the <sup>COV-19</sup> common sense?

- Large crowds gathered the memorial holiday at parties, beaches etc.

- Large crowds gathered at Donald Trump's rallies

No common sense. Don't throw away your

common sense
