Late afternoon, evening

Got ur letter 2day
July 8, 2020

When I first got it I could feel there was no photo so I assumed U were unable 2 get one developed or whatever!

But then I read ur letter that indicated

U enclosed a photo of U decked out in Adidas!

Well I did not receive it!

Not sure what happened?

Only note on the envelope was

"Delayed due to incorrect zip code"

58321 had 2 slashes through it

N somebody wrote in purple ink pen on a White sticker: 53821

N of course the stamp was torn off in accordance with policy

(ie that someone will reuse the stamp or worse smuggle in contraband under it)

Well Neway I immediately ran 2 the Officers desk n stated the issue 2 the Sgt who instructed me 2

"File an ICI (inmate complaint)"

I then at 5:33pm asked 4 an ICI form n a request slip so I could write mailroom/ property n see if its down there!

Perhaps it fell out!

The Sgt asked did I get a denial of photo slip?

I informed him that I did not n that there would b no reason 2 deny a picture of a young lady in Adidas - reputable nongang related brand.

So its 5:49pm n I'm bout 2 write property n see if the pic is down there!

Praying it turns up!

N that it didn't fall into the wrong hands!

Question

Was anything written on the back?

Any details U could give me 2 help me describe this exact photo?

Praying they have it n bless me with it bright n early in the morning!

Yikes!

Well I'm gone finish reading ur letter

Will let u know what turns up when I getta response from property

More in my letter...

Respectfully
Antoine
