Hey Ju, ~~50000~~ COVID-19 virus 😞

Yep, just like old Times

NEVER wrote a Play Before,

so I took a shot at it

This is pretty good stuff,

I'll close it with some

hard facts and will be

done with it in a few Acts,

Some Kind Soul just sent me

a pretty cool Book by,

Jericho Bdown titled;

The Tradition, I'll read

it on my Birthday the 20th,

it also came with a

\$100⁰⁰ Wine Voucher, I

don't drink, but they don't

allow that here anyway 😊,

This Book came from the U.K.

I don't have penpals, so

maybe it was someone who read

my Blog? Because this Author

seems like he is Black? I

normally don't read others

Poetry or Books unless you

send a Book, I'll give it

a sitting.

I miss being in love
I respect the "Crowded Closet"
because it saved so many lives,
but it's hard for a Gay
Black Man out here in the Open.

My Attorney said he found another
Attorney for My situation here,
so That's great, can't wait
to get it cracked

Thanks for the transcription,
please do another one, I
want to do a very focused
Zine issue for the start of
2021, and these last few
posts will create a very
strong Read, Thanks for
liking the play, I still have
found no place to land, a lot
of us haven't, so, we'll just
need to create our own place
to land.
