

Dear Julia,

07-27-20

Hmm... as I recall, you only qualified for Tropical Storm status! Ha!! <smile>

Julia, it's so good to hear from you again! I hope you've been well + happy.

As I recall, you're from the Netherlands, right? I hope things where you live aren't too bad due to the COVID pandemic. What a mess!

I got a letter from Rita in Belgium recently and I suppose the situation in your country is similar to hers. I hope you haven't been too badly affected.

You do know, I'll always think of you as Tropical Storm Julia! 😊

I'm so glad to hear from you + I wish you the best!

Many Blessings,
