Dear Liz,

Howdy! Thank you so very much for your comments! I always get a little squeal of delight whenever I hear from someone + I'm thrilled to have new readers!

I'm definitely glad you got a laugh out of me! Oh my gosh, I still have a ton of snacks. I've always been skinny + my stomach is now starting to poosh out for the first time!

I sure hope your nursing home hasn't been badly affected by the COVID pandemic.

Again, thank you so much. Stay healthy + I hope to hear from you again!

Best wishes,
