"" I GOT EIGHT ""

---

Tagline: " For the eight in me ."

[Disclaimer: the contents of this piece is fictional, not a promotion of , or advocacy of hyperbole storylines. As a student of philosophy/ philology and epistemology, I like to word smith . I was inspired by a notion, and wanted to see what I could do with the alliterations.]

1.)

My mama started me off in this game when I was eight, had me running trade ,  
Delivering eighth's . Now I'm worth eightieth million.

2.)

Born in August , so she blessed me Alexander Augustine Abu Adonis Atum Abdullah  
Allah Akhenaten ,  
told me I'll never want 4- nothing, So now I want stop 4 -nothing.

Four times four, is eight, I got eight.                      Silius macrocosmi.

3.)

Got eight of the deadliest Octopuses, blue & yellow.  
Watch them walk across this reef,  
since you wanna beef.  
As my enemies rest in unpeace.  
While their families cry in grief .  
Sad affair, but biz'ness. Is biz'ness,  
When it comes to the thief's.  
So I had to allow them to see a real beast.

I got eight of everything.

4.)

I come thru, the city get pop'n like the Aurora Borealis , because we stay Lit.  
and the sky is no-limit. So I named my baby girl Aurora, because she  
always brighten my day.

5.). So stylish that the IRS keep invading my homes. They audit my vault eight times  
a year.

hold court with my guys in my auditorium. Flipped the mack's ball to the Aure'ole,  
As the city place the corona halo upon me.

I got eight of everything.

6.). On my deck they called me the street Augur, because after eight mill. I bid the  
hustle Aure'voir .

took my proceeds and Augmented them , then Aureomiysin the trail,  
the fed.'s can't touch or see what no longer exist. because I played the  
game and got lost in the mist.

Eight of everything.

7.) In the Autumn we go to the islands, because thru investment, I brought an island.  
All my folks live like we are retired, the vault Augmentation runs in Autom'a-ton.  
So rich we can buy eight nations.

I got eight.

8.). In this eighth stanza , I'll let the Auspicious speak for it self.  
the love we receive from the Aurora Australis ,  
to the Aurora Borealis is secure and cemented , that ...  
I could DIE today and my Autograph will be worth a mill.

my Authenticity is so authentic that I could be an Autocrat and ...  
have eight Autocracies Autonomously.

These boys still talking about owning "" Drako's "" , like that's a feat,  
I question their fealty with such lower class heat.

Tip the fedora the other way ,

these kids have went astray. I have eighty crate's , for eight different  
brands.

But that ain't what I bring to the lead party,  
eight M65 's modified to contain the fallout/fallback.  
David Crockett the whole block , and pink mist the whole deck ;  
go ahead and Google it, for that will be your only bet.

I TOLD YOU I GOT EIGHT. !!!

Coupe de maître .
