

The over shadow

I just want to talk on the ideal that you can over shadow problems by too many unnecessary bumps in the road.

I send my condolence and prayers to John Lewis's family. I watch the whole funeral service. For me it was very emotional. Because I didn't want to see a great icon and historical civil rights leader leave so early. He reminds of Genesis 12:1-3 The Lord had said to Abraham leave your country, your people and your father's household and go to the land I will ~~show~~ show you

I will make you into a great nation
and I will bless you

I will make your name great
and you will be a blessing

I will bless those who bless you
and whoever curses you I will curse
and all people on earth
will be blessed through you.

You see John Lewis was true blessing to all of us. Where the white man written him off. God made his name great and not only that God ~~brought~~ birth nations through look all the bills he fought to get pass and the light he was to the people he came into ~~contact~~ contact. He was a power man of God. God did ~~go~~ great work through him. Thank you ~~Mr Lewis~~ Mr Lewis and I hope to see you in heaven one day.

As we celebrated the home going we encounter a idiot

name Mr. Trump. He didn't attend the funeral. Then when asked about Mr. Lewis passing, he said basically he wasn't really nobody - he was a civil rights leader and he wasn't the only one. There was other who passed. The Spirit of the white who was out there in Selma, ~~Alabama~~ Ala. who beat John with that baton in the head, by the grace he didn't experience concussion. The Spirit of racism that was in ~~the~~ whites and police is in Donald Trump. That is why he sent the Fed Ice agents into Portland, Oregon. He wanted in on the action. Didn't these people get hit with the Baton and tear gas the same way Mr. Lewis did? The overshadow of the problem is these people wasn't thinking about a federal court house. Until Mr. Trump brought in the Federal Ice agents. Yes the people was looting, ~~vandalizing~~ and vandalizing. Did that really cause for federal agent? Absolutely not. Tho something Trump had been wanting to do if you go back to when Chicago had the highest homicide rate last year. He threaten to send federal agents in. To me it's very strange that he use Federal Ice agents Border Control - which says he had them children put in those cages and separated ~~the~~ immigrants ^{families} on purpose. He felt like the Border Control did a great job on what he told them to do. So he would called them to do him a favor ~~with~~ with the Protest. Why ^{wasn't} ~~not~~ our true federal agents was called? which the situation didn't cause for that.
