Subject: Another Miracle

2 whom it may concern

3 times since June of last year the date

July 15

Came 2 me with

"Release from prison"

Attached 2 it

That being the case I anxiously anticipated my or my other codefendant being released on that date!

Well it wouldn't b Tre as he was released on June 9,2020

:)

So..

Must b 4 me

As I waited the date

July 15

Popped up in an email

Saying there was a Big Parole meeting planned

Who knows about what exactly!?

Sure it relates 2 letting "Old Law" prisoners go!?!

I'm still trying 2 get a hold of the transcripts!

That's another email 2 another place!

Yet 2 help my release along I did write the Parole Chairman n literally asked him,

"Would u consider letting me go home?"

Any who on

July 15

There was no miraculous release of urs truly

Nor any letter in the mail regarding my being released any time soon!

So now what?

Know 4 a fact God gave me that date 4 a reason.

By this time I had my daughter's number 4 all like 4 days, but each day brought a "we're sorry ur call was not accepted, this maybe an answering machine. Please try ur call again later."

Not wanting 2 deal with all the politics n potential 4 trouble over a 15 minute call I decided 2 not sign up 4 another phone spot. Plus it seems the only openings were like 9pm. Not knowing her schedule I chose 2 not impose! Maybe tomorrow would b different...

July 16

That day was different
Look at God
4 the first time in 7yrs I spoke 2 my daughter on the phone!
Shocked when it said
"Thank u 4 using ICSolutions "
I said hello several times b4 saying,"is this Priska? "
Soon she responded I couldn't help but passionately blurt out
I love U
I'm sorry
I love U
I AM WE . I Love U

We spoke bout things that had been going on in the last 5yrs since we'd last written! Course not covering it all! Just using summations n generalizations!

I even got blessed with a chance 2 call her back at 8pm
Look at God
Now July 16 at 12:14pm
Is etched in my history

July what a month!!!

Oddly enuff I been deemed it me n God month!
Since 2009

Having talked 2 my only child I've had an inner sense of freedom n of just this peace that god will soon release me 2 b in her life n more importantly father her spirit.

Felt a Release from depression n laziness. Felt more motivated 2 redeem the time,2 get god n win Priska 2 Jesus 4 deliverance from her sinful nature. 2 b the best father 2 show her a life with god in it. 2 provide 4 her. Have enuff \$\$\$ where I can b available 4 her. Rejuvenated. Freshly anointed.
Amen

God is good
(Even when I don't act like it)

Even see the need 2 pray more.
So B it

Thank God 4
Joel 2:18-32
Especially verse 25

Yup it applies 2 family Restoration

My heart is glad
N gladdened by her
Happy birthday
Sentiments

If only I had tryd 2 call again on July 15!!!

I'm blessed.
