Love Note

8/5/2020 My Dearest Love:

I wonder sometimes what it would be like if we had what other people would consider a normal relationship. Would you love me as much if the excitement wasn't there, if I was afraid to dance on top of the skyscrapers, if I never turned our sailboat into the sun. If we caught a matinee in place of a midnight show. What if I had never rode a Thunderbird over the grapevine with your arms wrapped around me. Would you love me this much if I hadn't carried you across the thresholds of our combined lives. What if I would have called someone else to repair something, would you still love me as much? Would you still love me if I forgot how to ride a bicycle backwards? Would you still sing with me if I forgot how to play the banjo? You often talked about loving me for my curly blonde hair, now my hair is no longer curly and no longer blonde but the color of pure snow do you still love me? Do you still want to dance with me past closing time and sing out of tune to the music of a broken down old jukebox? Do you still dream of falling asleep in my arms? as I whisper I love you in your ear. Do you still love me in the same way I love you?
forever+ever

R.S. With tears in my eyes

I miss you

you are the reason the birds sing, the sun comes up, I love you

I'll Love You Always

Forever+Ever+Ever
