Dearest Juila

Speaking of celebrity's...

: )

U came 2 mind the other as I was listening 2 the radio.

So what triggered these thoughts?

The lady mentioned

"Human Librarys"

N there popularity in Denmark. How basically people going 2 a designated safe house,if u will,n spending 30 minutes getting 2 know each other. Then I think u can read another "book" after that. Not sure how many "books" u get 2 "browse" b4 the "library" closes...

As the woman spoke on "starting one in ur own community"

U were deposited in my mental

Tru story!

Pictured u starting one n or participating in one!

: )

I'm listening

Far as how I'm doing...

Same ole

Waiting 2 transition 2 work release! Get 2 the bakery n just get a change of pace! Definitely hope its not 4 man rooms! 2 overwhelming 4 me,2 busy,2 loud,2 something!

Do hope the phone calls r longer! 15 minutes go 2 fast! can't even get an adequate hello or half way decent Convo that brings closure Time it start getting good u hear the robot saying u have one minute left! Just enuff seconds 2 say I love u.

Then at work release I'm allowed 2 buy a coat! Got my vote! Gone put in the order soon I get off the van/bus! Promise

Know I b cold so...

The coat will ensure I'm warm n toasty inside n out

Dig that!

Lord knows I'm back cold now

Where did the summer go?

Spent all the warm months inside a building!

Ouch

None of that where I'm going!

Did get a book accepted!

So excited bout that

As well as my future as an author,writer,fashion designer,n human being

Smile

So still learning, growing, thinking, figuring, refiguring, planning

Plan is 2 have a buzz plan 2 take 2 parole in December, if they don't let me go b4 then

Sept 15

Mean something

Maybe I'll get a response from the parole board that day! N see what they have 2 say

Other than that I'm good

Focusing on my choices n y I'm making them

Thanks 4 the lovely comment bout me phoning my daughter, been going good! all I can say

Heart still has a 4ever hole but...

Praying I'll b able 2 see her via ZOOM

Fingers crossed

Lovely greetings from PDCI

Antoine
