THE JOE BIDEN DEFAULT WIN

Proposition 4-Review: ". Collective insanity. or WHAT ... ??? "

tagline: is Joe a Janus face ?

Let the facts speak.

Some context: THE PRIME JANUS , comes by way of the Latin language In Rome. Symbolize principal of ' The Door '. Meaning opportunity and The future , the unknown. The Endings & Beginnings. or the reverse. The month January is derived from Janus. The word janitor & Janitorial, are also derivatives of Janus, and they actually mean: ' the doorkeeper '; The Janus icon is the coin or statue with the two same faces going in -- Opposite directions.

1) Which contextually, this is what the President is , the doorkeeper to the power of the people, the janitor to fix and clean up the backwash.

2) Masonic literature has many more symbols & skulduggery concepts that would be relative , however the premise here is more on the ---- psychology of Black Folk , who continue to repeat the the same insane Political seppuku that , we as a collective , have done since the reconstruction of black slavery .

3) Joe Biden Janus face to Black people has been shown many times b4 so the issue is why do people think we should provide him the default Vote because he's the lesser of the oppressors !

4) A few evidentiary facts should be supplied here for context , those who Deem it necessary to bring the entire corpus , want to be relieved of their Own civic responsibility of knowing who they are Voting for.

5) the Leviathan that currently exist was ,fed by Biden, nourished by the laws he created, now he wants black folk and all the beautiful people currently out In the street demanding real justice and a end to the racial domination,

This country has perfected. -- believe that he is down with the cause / Movement, particularly the Black lives matter (BLM).

6) Janus Joe did nothing when he was VP to stop the pogrom of Black Women/ men killed by cops. In fact , and History will have to back me up in the future , He advised the weak Obama to stay away from the same Issues he now demagogue on to win against the ' Clown in Chief '.

Janus Joe is the one that made Obama cave and buffoonery now known to the world as the , WHITE HOUSE BEERGATE APOLOGY , in which Obama dranked beer with a cop who treated Harvard professor Henry gate's like a thug and intruder in his own home. This beergate was symbolic of the white police showing that , once again , " no matter how much you niggers think you have power or positions of power/ influence, You have nothing ", the President of united states cowing down to bigot cops.

7) Ask you're self how many pigs in uniforms killed black people when Janus Joe and Obama was in office. The Leviathan that Janus Joe now elect and nominate him self to defeat , is one he not only nourish at one

point as a sponsor of the crack laws s, and aint-death penalty legislation he help pass . he fed it as a get tough on crime legislature. Prison litigation reform act, the. Federal penalty enhancers he help pass.

8) His current postures demonstrate the same Janus characteristics.

The resent statements about the uprisings and protests, the VP choice of Kalama Harris, who too has the same Janus face when it come to the fake law / criminal / justice system in the united states.

9) The damage both have done in terms the laws and the system, is irreparable, their promises to undo what they did or help do , or supported,

Let others do ; has destroyed families and those families can not be healed by empty promises.

10) Biden don't get this election by riding the sideline letting the momentum of the clown in Chief to offend everyone, winning the vote

By default , because there is no one else to vote 4.

11) If Janus Joe was such a friend of the African-American community

as he try to portray , he would have made all the Black moves Obama

wanted to do ,but was scared to make out fear the Republicans would label him the president

for blacks only . Biden could have spoken out and attended , networked and made major moves

as Obama stead. and

allowed Obama to help his people.

12). One must question , why the prison reforms now done by the clown in chief was not done in the Obama/Biden administration. ???

Yes, we know the Republicans did not want Obama to accomplish much .

But that's only 65% of it. The Republicans could not ,did not stop Obama/ Biden from pardoning the same people Kim Kardashian was able to perfect with the Clown 'in ' Chief.

13) What I find to be disturbing is how people in general , and particularly, Black people , do not call Biden out on the hypocrisy and the Janus claims that he has done this and that for Black folk.

14) politicians in this country don't respect the Black voting Block. This is Why they continue to lie to the black folk and never follow through with Promises , and make the symbolic gestures , such as picking kalama Harris as the VP to both pull the black woman vote.

15) while it is a significant milestone to have a Black woman as VP , we Need more then just that. Otherwise, this is a tokenism move and the exact shit we should not be accepting.

16). The scientific working definition for insanity , according to the Einsteinian rule , is the continuous repetitive behavior , expecting different Results. By this standard of insanity , we gave surpass the cross line of Expectations. If an individual did what we do as a collective whole , We would call them insane. If a battered wife continued to return to The one who lie , steal ,cheat , beat, kill and imprisoned her , we would call Her brainwashed , or suffering Stockholm syndrome. While the way Politician's do us as a people. , all the above would be applicable.

We are still months away from the general election , but I don't see the vibe to get turned up unless something else happened that will force People to turn up again.
Time Will speak better then me. Let's watch & see.
